Deadline (midnight, Beirut time): 15 January 2016
Duration: 1 year with possibility of extension subject to resource availability and performance
Application to be sent to: Beirut@unesco.org (Administration Unit)

ONLY NATIONALS ARE ELIGIBLE TO APPLY FOR THIS POSITION

OVERVIEW OF THE FUNCTIONS OF THE POST

I. Background

As part of the EU funded regional programme on the “Networks of Mediterranean Youth” (NETMED-Youth), the project will aim at mainstreaming youth issues and priorities across national decision-making and policy implementation in Lebanon by building the capacities of youth and youth organizations and promoting their active engagement in the development and operationalization of national policies and strategies on youth; ensuring that youth issues are adequately covered by national and regional media; and identifying workable models for improving youth access to employment and youth inclusion in different sectors. The project will also promote national and regional exchange of experiences and the cross-fertilization of tools and approaches.

II. Duties and requirements

Under the overall authority of the Director, UNESCO Office in Beirut and the supervision of concerned Programme specialists (SHS is the lead), the incumbent will provide technical assistance in the implementation of the project targeting youth in Lebanon.

In particular, the incumbent will:

1. Be responsible for the planning and implementation of the project in consultation with relevant programme staff and in close collaboration with national partners.
2. Monitor work plans and report on and oversee the evaluation of the programme activities, including the regular quarterly, ad-hoc reporting, mid-term and final evaluations.
3. Liaise with key youth stakeholders in Lebanon (youth-led and/or youth-focused and other civil society organizations, Government Officials, UN system agencies, donors, media, etc.), as well as with UNESCO staff at Headquarters and in other Field Offices in the region, to ensure effective planning, implementation and monitoring and the visibility of the project.
4. Ensure the outreach and participation of young men and women in all regions of the country especially among disadvantaged groups (e.g.: youth living in rural areas, youth with disabilities, youth who are part of displaced populations, etc.).

5. Coordinate knowledge production and dissemination efforts in the context of the aforementioned projects, especially with regard to policy and advocacy dimensions; studies on promising practices; and clearinghouse functions of UNESCO Office in Beirut.

6. Coordinate capacity development and sharing activities such as workshops, regional/sub-regional/national conferences, expert meetings, media events and other (i.e. usage of social media) through identifying relevant resource persons and approaches.

7. Attend meetings and participate in technical and working groups and meetings related to the Project and UNESCO’s response in Youth empowerment and participation in Lebanon, as and when delegated by the Director of the Regional Office.

8. Identify potential local partners within the UN family, CSOs, and private sector for joint programme/programming and expand and strengthen partnership with line ministries, institutes/universities and NGOs for the implementation of the Project and for the strengthening and networking in Lebanon. Identify prospective donors and actively participate in such meetings.

9. Prepare briefs as necessary on the Projects for the supporting donors and for internal use, based on country programme support and regional reports. Ensure timely availability and access to all key programme documents (global, regional, country) for government and technical partners, as well as for uploading onto the UNESCO Regional Office Internet and UNESCO intranet sites.
