on the implementation of the Recommendation on  
the Safeguarding of Traditional Culture and Folklore

Item 6.1 of the agenda (26 C/29)

Item 6.2 of the agenda (26 C/30)

1. The Legal Committee examined the initial special reports submitted by Member States on the implementation of the Convention on Technical and Vocational Education. The Chairman stated that three Member States had submitted their report on 30 August 1991 (26 C/29). The Secretary of the Committee presented the replies of the five States which had reached the Secretariat after that date.

2. The Legal Committee also examined the initial special reports by Member States on the implementation of the Recommendation on the Safeguarding of Traditional Culture and Folklore. The Chairman announced that two Member States had submitted their report on 30 August 1991 (26 C/30). The Secretary of the Committee informed the Committee of the reports submitted by three States after that date.

3. The Committee took note of the aforesaid reports. It also decided to recommend that the General Conference postpone adoption of its general reports for which provision is made in Article 18 of the Rules of Procedure concerning recommendations to Member States and international conventions covered by the terms of Article IV, paragraph 4, of the Constitution until such time as a larger number of Member States had submitted their special reports.

4. The Committee therefore decided to recommend that the General Conference adopt the following draft resolution:

'The General Conference,

Having examined documents 26 C/29 and 26 C/30 and taken note of the report of the Legal Committee (26 C/131),

Takes note of the special reports submitted by Member States on the implementation of the Convention on Technical and Vocational Education and of the special reports on the implementation of the Recommendation on the Safeguarding of Traditional Culture and Folklore;

Decides to postpone until a later session the inclusion in general reports of its observations on these special reports.'
