

## AMENDMENT

### to MEMORANDUM OF UNDERSTANDING

**between the UNESCO Institute for Information Technologies in Education and the UNITWIN/UNESCO Chairs, operating in the field of ICTs in education, and the Universities, with a plan to establish new UNESCO chairs, operating in the field of ICTs in education**

on the establishing of a network of the UNITWIN/UNESCO Chairs, operating in the field of ICTs in education

(June 5, 2013, Saint-Petersburg, Russian Federation)

The UNESCO Institute for Information Technologies in Education and the UNITWIN/UNESCO Chairs, operating in the field of ICTs in education and innovative pedagogy, and the Universities, with a plan to establish new UNESCO chairs, operating in the field of ICTs in education and innovative pedagogy (hereinafter referred to as the Parties) in accordance with the multilateral Memorandum of Understanding about the establishing of a network of the UNITWIN/UNESCO Chairs, operating in the field of ICTs in education (hereinafter referred to as the Multilateral Memorandum of Understanding), signed on June 2<sup>nd</sup>, 2011 in Saint-Petersburg, Russian Federation by Parties, have agreed to make the following additions to the Multilateral Memorandum of Understanding:

1. Following the item 3 of the Multilateral Memorandum of Understanding new members - the concerned educational establishments which voiced their agreement with goals and tasks laid down in the Memorandum - joined the network as it is a structure open for participation.

2. The real Amendment is an integral part of the Multilateral Memorandum of Understanding. Provisions of the Multilateral Memorandum of Understanding will keep the force in a part, not changed by the real Amendment.

3. This Amendment shall take effects as of the date of its signature.

4. This Amendment doesn't endorse any juridical obligations. It has been signed in Saint-Petersburg, Russian Federation in 14 original copies in English, all of them being equally authentic.
