University of the West Indies, Jamaica

Time, Duration & Location

- 11:00 – 12:30am
- Room: Ball Room III, 7th Floor
- Shanghai International Convention Center

Objectives

- Discuss issues related to the emerging demands on innovative teaching and learning.
- Advocate for increased investments for teachers and trainers career management.
- Explore possible policy measures aimed at improving teaching and learning.

Topic #1 & Presenter

Effective strategies for quality teaching and learning.

Presenter: Mr. Abel Modungwa,

President, International Vocational Education and Training Association (IVETA), and acting CEO, Human Resource Development Advisory Council, Botswana

Mr. Modungwa is the President of International Vocation and Education for Teachers Association (IVETA). He served as a Human Resources Director and Secretary to the Board at the Water Utilities Corporation of Botswana for 6 years before joining the Botswana Training Authority (BOTA) as a CEO. After joining IVETA he arranged for hosting the 2005 IVETA Regional African Conference and has been instrumental in annual IVETA African regional conferences.

Topic #2 & Presenter

Improving the preparation, status and conditions of TVET teachers Mr. Imad Sabi, Global Campaign for Education and Oxfam International

Presenter: Mr Imad Sabi,

Global Campaign for Education and Oxfam International

Topic #3 & Presenter

Supporting professional development of TVET teachers – experiences from Finland

Presenter: Mr. Mika Tammilehto,

Director of the Vocational Education Division of the Ministry of Education and Culture, Finland

Mika Tammilehto has worked in Ministry of Education and Culture since 2001. Currently he is Director for vocational education and training. Vocational Education Division deals with matters relating to vocational education policy, initial VET, preparation of legislation and financing of VET, steering and evaluation of activities in the field, preparation of budgets and the Ministry's action and economic plans, authorisations to provide VET, qualifications structures, student selection criteria, work-based training and International cooperation in VET.

Topic #4 & Presenter

A regional approach to the enhancement of practical vocational competences of TVET teachers: challenges and perspectives

Presenter: Assoc. Prof. Numyoot Songthanapitak,

President, Rajamangala University of Technology Thanyaburi (RMUTT) and Thailand Steering Committee, Regional Cooperation Platform (RCP) for Vocational Teacher Training and Education in Asia

Rapporteur

Mr. Shyamal Majumdar, UNESCO-UNEVOC
