

# QUALIFICATIONS THAT COUNT

ARJEN DEIJ

**reconceptualising TVET qualifications**  
**more emphasis on learning outcomes**

**comparing & linking TVET qualifications**  
**through Qualifications Frameworks**

**TVET qualifications**  
**supporting lifelong learning**

## *Qualifications Frameworks & TVET qualifications are 'hot' items*

### **Barriers**

*time, resources and capacities*

*opportunity costs*

*engaging representatives from WoW*

### **conflicting priorities?**

*more emphasis on inputs needed ⇔ more emphasis on outcomes needed*

*access to TVET ⇔ benefits from TVET*

### **Fit for Purpose solutions**

*policy borrowing ⇔ reinventing the wheel*

*technical constructs ⇔ social constructs*

### **Governance**

*roles for coordinating & QA bodies, WoW reps & TVET providers*
