### **THIRD REPORT OF THE LEGAL COMMITTEE**

#### **CONSOLIDATED REPORT ON THE IMPLEMENTATION BY MEMBER STATES OF THE 1980 RECOMMENDATION CONCERNING THE STATUS OF THE ARTIST**

(document 36 C/57)

1. The Legal Committee examined the consolidated report on the implementation by Member States of the 1980 Recommendation Concerning the Status of the Artist.
2. After having taken note of the report supplemented by the comments made on this subject by the Committee on Conventions and Recommendations (CR) at the 187th session of the Executive Board, the Committee decided to recommend that the General Conference adopt the draft resolution contained in paragraph 11 of 36 C/57 reproduced below:

The General Conference,

Recalling 187 EX/Decision 20 Part VI,

Also recalling 177 EX/Decision 35 (I) and 34 C/Resolution 87 on the monitoring of the implementation of UNESCO conventions and recommendations for which no specific institutional mechanism is provided,

Having examined document 36 C/57 and its Annex,

Noting that 55 Member States have submitted reports for the consultation,

Recalling that the submission by Member States of periodic reports on the implementation of recommendations adopted by the General Conference is an obligation under Article VIII of UNESCO's Constitution and Article 17 of the Rules of Procedure concerning recommendations to Member States and international conventions covered by the terms of Article IV, paragraph 4, of the Constitution,

Further recalling that the periodic consultation of Member States on the implementation of the Recommendation is intended to enable the Organization to assess both the extent to which Member States are implementing that instrument and the obstacles that they encounter,

Reaffirming the importance of the Recommendation and its implementation by Member States,

1. Invites those Member States which have not taken measures to implement the Recommendation to do so, and to provide the required reports;
2. Invites the Director-General to transmit to it at its 38th session the next consolidated report on the implementation of this recommendation and decides to inscribe this item in the agenda of its 38th session.
