SUSTAINABLE FUTURE

**'More research
needed to meet
2030 agenda'**

NEWS DESK

To create awareness and encourage students towards scientific education and research with a view of sharing ideas between scientists and students, UNESCO Islamabad, Pakistan Science Foundation (PSF) and ECO Science Foundation (ECOSF) jointly organised a meeting of scientists on the occasion of World Science Day 2015 in the capital.

This year's theme, 'Science for a Sustainable Development', included various awareness activities supported across the country.

Officials and representatives of the Ministry of Science and Technology, PSF, ECOSF, UNESCO, and Pakistani academia attended the event.

Fazal Abbass Maken, federal secretary, ministry of science and technology was chief guest at World Science Day, celebrated every year on November 10.
