Administrators to replace nazims from August: PM Gilani

Submitted 23 hrs 27 mins ago

Prime Minister Syed Yousuf Raza Gilani Wednesday said the year 2010 will be observed as a Literacy Year, as most of problems emanate from illiteracy. Addressing the media here after a meeting of Inter-Provincial coordination Committee, he said the conditions are not conducive right now for the local bodies elections, adding as soon as the situation improves, the local bodies election will be held. He said administrators will be appointed in lieu of nazims as the term of local bodies is going to be over in August, adding these administrators will have nothing to do with politics.
