RELEVANT LINKS

The **African Capacity Building Foundation (ACBF)** is a network that brings cooperation agencies and experts together with national and regional institutions working in various areas of development. ACBF's principal objectives include investing in the capacity of its members for macroeconomic policy analysis and development; channeling funding; encouraging the development of research communities in the region; facilitating and investing in local initiatives in the area of research and training; and helping bridge the gap between researchers, trainers and governments.

The UK **Department for International Development DFID** is active in sharing its knowledge such that policy makers and practitioners can use it to have a positive impact on people's lives. DFID has set up a Knowledge Policy Unit (KPU), whose purpose is to enhance the use of knowledge by DFID and others in support of the elimination of poverty. The KPU seeks to coordinate DFID's existing knowledge activities more effectively and to initiate new activities that will add to the impact of DFID's knowledge programmes.

The **Economic & Social Research Council (ESRC)** provides high-quality research on issues of importance to business, the public sector and government. It also funds research and training in social and economic issues.

ESRC Genomics Policy and Research Forum

The ESRC Genomics Policy and Research Forum aims at connecting social science research on genomics with public policy debates and decision making. The site provides access to reports, policy briefs, research summaries and the Genomics Network Newsletter, as well as events information. <http://www.genomicsforum.ac.uk/>

Visit: <http://www.esrc.ac.uk/ESRCInfoCentre/index.aspx>

Evidence Network. The Network for Evidence-Based Policy and Practice was established in 1999 by the Economic and Social Research Council, the UK's largest funding agency for research and postgraduate training in social and economic issues to bring social science research much nearer to the decision making process.

Visit: <http://evidencenetwork.org/Mission.html>

The **Getting Research into Policy and Practice (GRIPP)** website is a practical resource to support researchers maximize the impact of their research on policy and practice. While the tools are generic, the case studies are mostly on the topic of family planning.

Visit: http://www.globalhealth.org/view_top.php3?id=186

The **Global Applied Research Network GARNET** at the Water, Engineering & Development Centre (WEDC), Loughborough University is a mechanism for information exchange in the water supply and sanitation sector using low-cost, informal networks of researchers, practitioners and funders of research.

Visit: <http://www.lboro.ac.uk/garnet/>

The **Global Development Network (GDN)** was established in 1998, with the goal of supporting and linking research and policy institutes involved in the field of development and whose work is predicated on the notion that ideas matter. RAPNet is the web site of GDN's Bridging Research and Policy Project (<http://www.gdnet.org/rapnet/index.html>)

Visit: <http://www.gdnet.org/>

The **Global Knowledge Partnership** is a "network of networks" with a diverse membership base comprising public, private and not-for profit organizations from both developed and developing countries. The Partnership was born as a result of the 1997 Global Knowledge Conference in Canada, hosted by the World Bank and the Government of Canada. At present there are 45 members and 48 pending members.

Visit: <http://www.globalknowledge.org/>

The **Institute for Development Studies** at the University of Sussex host several useful resources. **id21** (<http://www.id21.org/>) is a fast-track research reporting service and **ELDIS** (<http://www.eldis.org/>) is a gateway to information on development issues, providing free and easy access to wide range of high quality online resources.

Visit: <http://www.ids.ac.uk/ids/>

The **International Development Research Centre (IDRC)** is a public corporation created in 1970 to help developing countries find long-term solutions to the social, economic, and environmental problems they face. IDRC's architects believed that the powers of science and technology could be harnessed to promote economic growth and development in the South.

Visit: http://www.idrc.ca/index_en.html

International Food Policy Research Institute (IFPRI) is exploring the impact of economic policy research and ways of evaluating this. They have held a workshop on assessing the impact of policy-oriented social science research in November 2001, in which a number of ways for enhancing impact were identified. These included identifying a communications strategy, understanding policy processes, strengthening national and international research capacity, and presenting research as policy options.

Visit: <http://www.ifpri.org/>

Learning and Skills Development Agency (LSDA) is a strategic national resource for the development of policy and practice in post-16 education and training'. Its headquarters are located in London. They have set up a Research and Development Programme called Research Impact, and the first paper to be produced was Walter & Nutley's literature review, 'Models of Research Impact', in April 2002.

Visit: <http://www.lsda.org.uk/home.asp>

The **Netherlands Development Assistance Research Council (RAWOO)** was established to (1) issue recommendations regarding research priorities and to put forward proposals for long-term research programs, and (2) foster communication among the various parties involved in research for development: researchers, policy-makers and end users, both in the South and in the North.

Overseas Development Institute (ODI), UK, Research and Policy in Development (RAPID) Programme (<http://www.odi.org.uk/RAPID/Index.html>)

Visit: <http://www.odi.org.uk/>

ODI Overseas Development Institute's Bridging Research and Policy project (<http://www.odi.org.uk/RAPID/Projects/R0040a/index.html>) has been researching how research-based evidence contributes to policy processes in developing countries.

The project included a literature review

(http://www.odi.org.uk/RAPID/Projects/R0040a/Biblio_Intro.html), the development of a new framework (http://www.odi.org.uk/RAPID/Projects/R0040a/Framework_Intro.html) for analyzing and strengthening research-policy links and four in-depth case studies. This seminar provided an opportunity to learn about and discuss the results. (Meetings).

Research mindedness in social work and social care

Visit: <http://www.resmind.swap.ac.uk/index.htm>

The **Research Unit for Research Utilisation (RURU)** was recently set up by the University of St Andrews affiliated to the ESRC Network for Evidence-based Policy and Practice. They aim to look at how to enable evidence to inform policy and professional practice, and their main areas of interest are key public sectors such as health care and social care.

Visit: <http://www.ruru.ac.uk/>

The **Support for Analysis and Research in Africa (SARA)** project is managed by the Academy for Educational Development, Washington DC. Its aim is to improve policies and programs in health and basic education. Together, AFR/SD and SARA aim to improve the link between research, policy development and program design and implementation in Africa.

Visit: <http://sara.aed.org/>

The **United Nations Research Institute on Social Development (UNRISD)** has ongoing work on [Improving Research and Knowledge on Social Development in International Organizations](#)

([http://www.unrisd.org/80256B3C005BB128/\(httpProjects\)/5CCCB80CEC61136380256B5D0045A6EF?OpenDocument](http://www.unrisd.org/80256B3C005BB128/(httpProjects)/5CCCB80CEC61136380256B5D0045A6EF?OpenDocument)) and recently held a conference on [Social Knowledge and International Policy Making: Exploring the Linkages](#)

([http://www.unrisd.org/80256B3C005BD6AB/\(httpEvents\)/A22EAFB757CBFAA4C1256E7700425840?OpenDocument](http://www.unrisd.org/80256B3C005BD6AB/(httpEvents)/A22EAFB757CBFAA4C1256E7700425840?OpenDocument)).

Visit: <http://www.unrisd.org/>

The **World Bank** has a number of useful resources. The World Development Report 1998/99 focused on 'Knowledge for Development'

(<http://www.worldbank.org/wdr/wdr98/index.htm>), and dealt with the broad issues of narrowing knowledge gaps, addressing information problems, and policy priorities. The World Bank also has a Knowledge Sharing webpage (<http://www.worldbank.org/ks>), and is a member of the Global Knowledge Partnership (GKP) (<http://www.globalknowledge.org>) The Poverty Reduction Group's approach to [Poverty and Social Impact Analysis](#) (PSIA)

(<http://Inweb18.worldbank.org/ESSD/sdvext.nsf/81ByDocName/PovertySocialImpactAnalysis>) aims to improve links between research and policy for poverty reduction.

Visit: <http://www.worldbank.org/>
