

UNESCO - IPCC OUTREACH EVENT
RAISING AWARENESS OF CLIMATE CHANGE:
KEY FINDINGS OF THE IPCC FIFTH ASSESSMENT REPORT

Monday 7 December 2015

Organizers: the United Nations Educational, Scientific and Cultural Organization (UNESCO) and the Intergovernmental Panel on Climate Change (IPCC).

Concept: The event will focus on IPCC's Fifth Assessment Report (AR5) findings (Working Group (WG) I, II and III and Synthesis Report), in particular how the impacts of climate change are seen around the world and potential solutions.

Objectives

- To raise awareness, especially among policymakers and the general public, about the outcomes of the AR5,
- To foster a better understanding among the media about climate change, the potential solutions on adaptation and mitigation and the work of UNESCO and the IPCC,
- To enhance the science-policy dialogue based on the IPCC findings and UNESCO's activities on climate change.

Language: English and French
