SUMMARY

The Director-General submits this document to the Executive Board in accordance with paragraph 2(c) of Part II of 32 C/Resolution 45 of the General Conference; it contains a list of the requests approved as at 30 December 2004. It has two parts:

Part II

A list of the projects approved for international non-governmental organizations (INGOs) maintaining official relations with UNESCO, together with the amounts approved to finance them (Annex II).

1. In 32 C/Resolution 45, Part II, paragraph 2(c), the General Conference invited the Director-General "to provide to every session of the Executive Board a report including the following information:

- (i) a list of applications for contributions from the Participation Programme received in the Secretariat;

This document therefore reports on the situation concerning the requests approved by the Director-General on 30 December 2004, for Member States, Associate Members, other territories and international non-governmental organizations for the 2004-2005 biennium. Of the requests received during this biennium, only those related to the priorities set by the Organization have been approved by the Director-General after evaluation and recommendation by the Intersectoral Committee on the Participation Programme.
