

# IKM MONITORING REPORT

April–June 2014, UNESCO Bangkok

During the month of May, UNESCO Bangkok's activities for World Press Freedom Day (3 May) and International Day against Homophobia and Transphobia (IDAHO, 17 May) received good coverage in both new and traditional media. The highlight of June was the World Heritage Committee (Doha, Qatar, 15 - 25 June 2014) where Myanmar made its first entry onto the World Heritage List with the inscription of Pyu Ancient Cities. For our social media, the number of "likes" of UNESCO Bangkok's Facebook page jumped by around 3,000 people during this period, the biggest jump so far!
