

The Zanzibar Youth Plan Association (ZYP) addressed, through this project, issues and problems with the provision of HIV/AIDS services to most-at-risk young people (MARYPs) in Zanzibar.

### **Who's involved?**

Project leader: Ibriham Abdulla

Lead organisation: The Zanzibar Youth Plan Association

Other organisations: Zanzibar AIDS Commission

**Timeframe:** May-September 2011

### **Objectives:**

- The provision of HIV/AIDS information and services to most at risks young population (MARYPs)

- The building and strengthening of local capacity and community mobilization to improve comprehensive HIV/AIDS services.

**Activities:**

- The development of organizational protocol and procedures for dealing with drug users (DU), men who have sex with men (MSM) and community sex workers (CSW);
- Services at drop-in centers for face-to-face counseling;
- Outreach services to DUs and CSWs;
- Training and modular workshops on rights to health, psychological counseling for HIV/AIDS and MARYPS and harm reduction;
- Public forums on rights to health, and mass media campaigns.
