

FIJI EDUCATION M&E SYSTEM

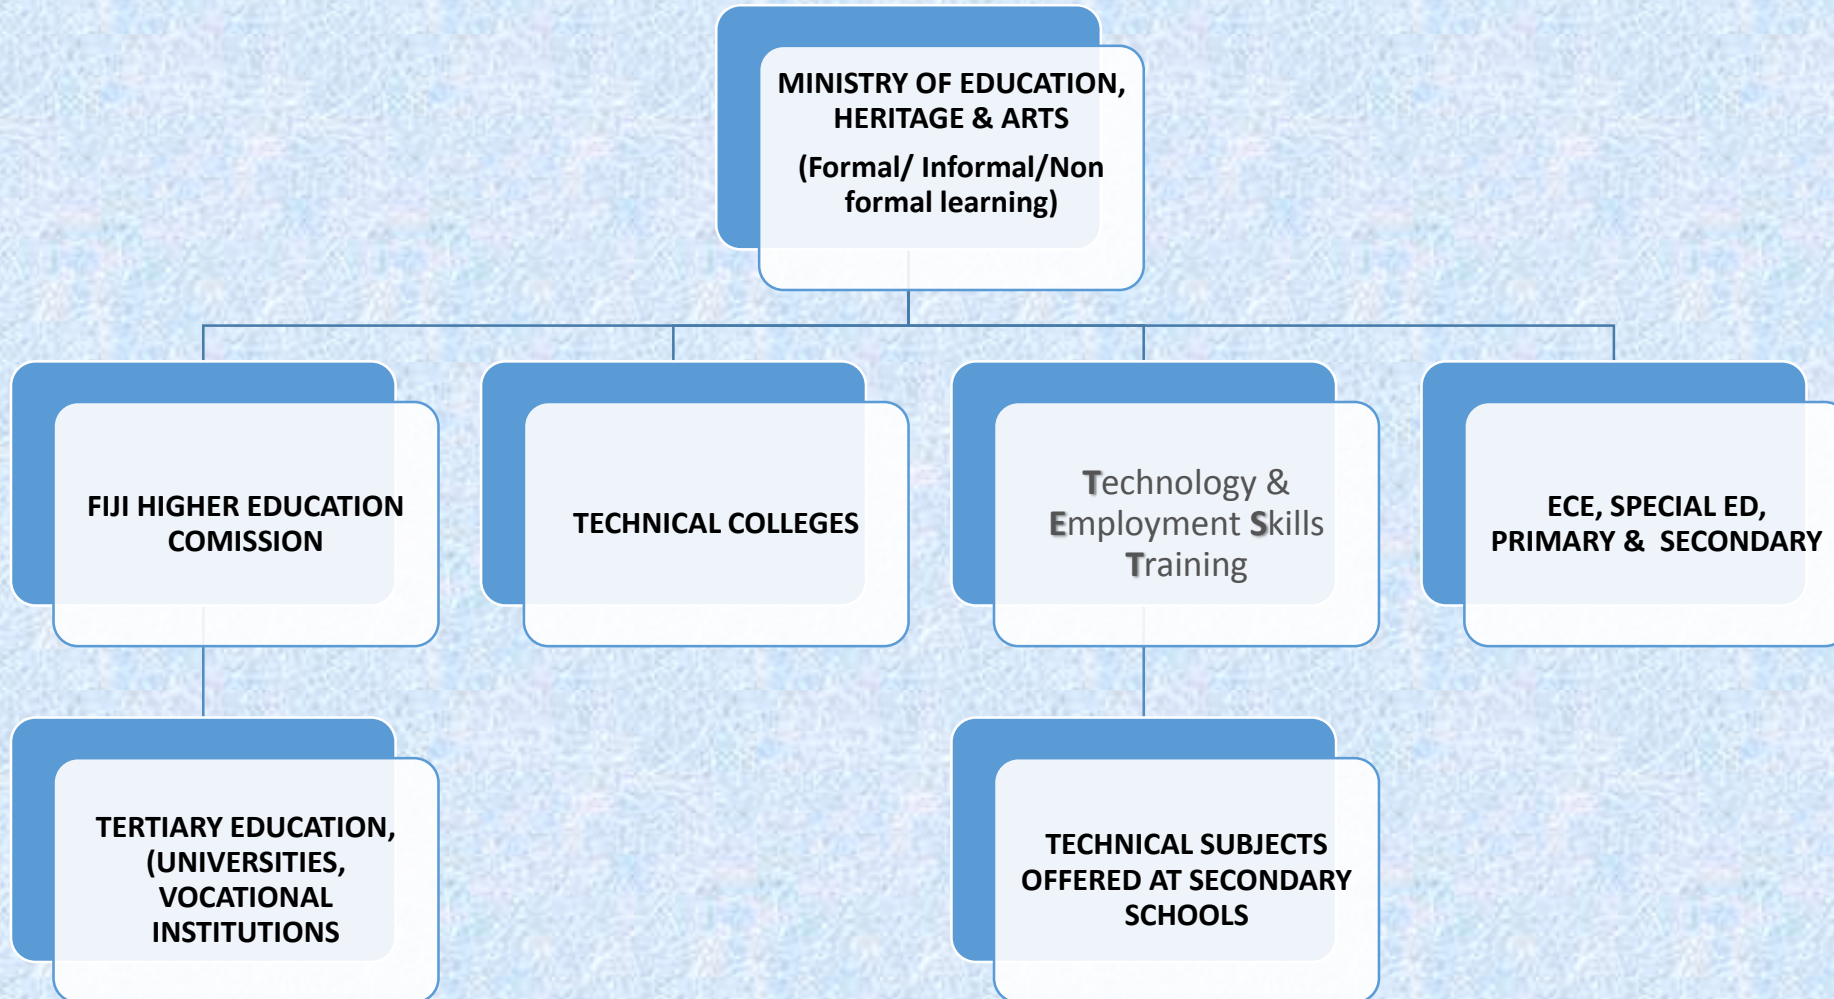

Presenter : Mr. Metuisela Gauna

STATISTICS, PLANNING, POLICY & RESEARCH DIVISION

MINISTRY OF EDUCATION, HERITAGE & ARTS

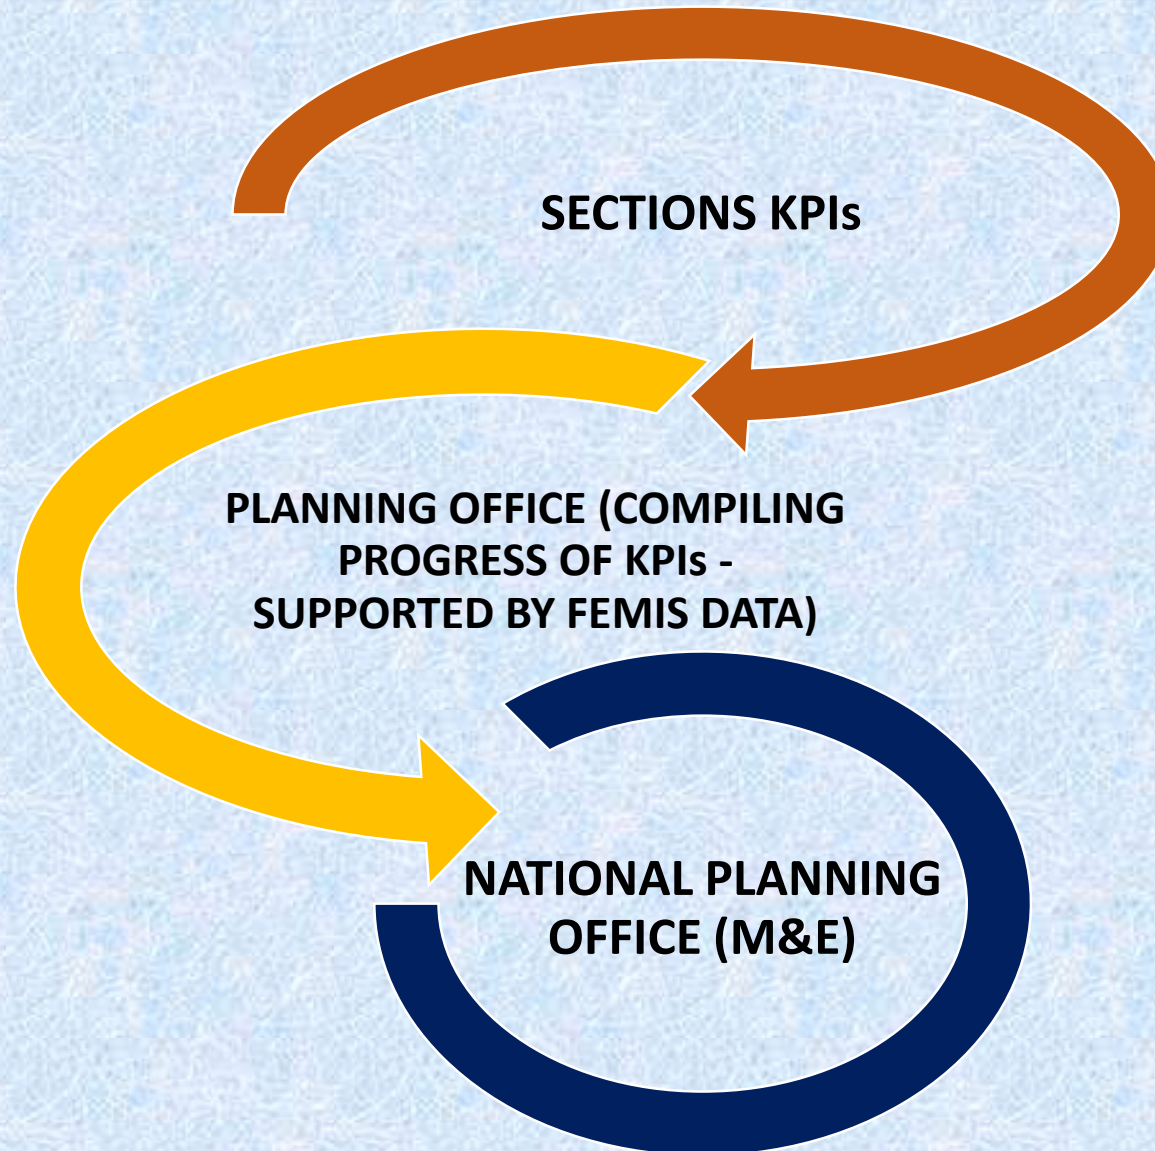

Overview of education structure

Overview of the current M&E system

Overview of the current M&E system

ISSUES AND CHALLENGES

- Timeliness submission of data/information
- Inconsistency of report submitted
- Lack of Capacity
- Connectivity
- Data quality

Monitoring education toward Education 2030

- Policies in Place (National & Ministry)
 - Constitution
 - PCCPP
 - RDSSED
 - ESSDP & ACP/ABP
- Enhance FEMIS database (Web-base)
- Plan to increase coverage/connectivity
- Development of the FEMIS database to include the KPIs to assist in the M&E of the Education Indicators

Conclusion

Education Pillars (3 Pillars) to address:

- Access & Retention
- Quality
- Inclusiveness & Equity

Initiatives

- Fee Free Tuition Grant (ECE, Primary, Secondary & Vocational)
- School Improvement
- Increased no. of teachers to lower the student/teacher ratio
- Improved teacher qualification
- Free textbooks
- Revised curriculum
- Transportation assistance
- Free milk initiatives
