### ESSAY QUESTIONS

Note: Text boxes do not expand. Attach additional pages as needed.

Please answer all questions (100-300 words per question).

1. The design of these scholarships is intended to promote long-term productive relationships between Rotarians and highly skilled water and sanitation professionals in their communities. Is the candidate a member of your community?  YES  NO
2. Did the Rotary club/district interview this candidate in person?  YES  NO  
If no, explain why not and indicate whether the candidate was interviewed by phone or other means.

3. What plans did you make with the candidate for the project you will conduct together once the scholar returns home from UNESCO-IHE?

4. What qualities indicate the candidate will be an excellent representative of Rotary?

5. Describe your club/district's interest in water and sanitation issues in your community. What types of projects have you implemented in the past, and have any of those projects been supported by Rotary grants? If this will be your first water and sanitation project, what motivated you to take this on?

## COMPLETION CHECKLIST

Before submitting your application, please take a moment to complete this checklist.
