## **PARC observes World Environment Day**

ISLAMABAD: The Pakistan Agricultural Research Council (PARC), Ministry of Climate Change and International Centre for Integrated Mountain Development (ICIMOD) will celebrate World Environment Day on Wednesday, June 5.

The event has been organized in collaboration with Pakistan Science Foundation, WWF-Pakistan, UNESCO and Pakistan Water Partnership as well as other national and international organizations.

This year the theme of the day is “Think-Eat-Save-Reduce Your FoodPrint”. It aims to increase awareness about food wastage and its impact on the growing world. The moot will be held at National Agricultural Research Centre (NARC). World Environment Day is celebrated every year on June 5 to raise global awareness of the need to take positive environmental action.
