

# STOP HUNGER NOW

## TAKES THE ZERO HUNGER CHALLENGE

Through our meal distribution program in partnership with organizations in-country, Stop Hunger Now embodies the five Zero Hunger pillars by:

### **Zero stunted children less than 2 years**

Providing food to orphanages and child care centers to ensure adequate nutrition in the critical first 1000 days of life

### **100% access to adequate food all year round**

Providing food to school feeding programs to encourage regular attendance and, thus, access to food year round

### **All food systems are sustainable**

Developing cross-sectional policies with our government and NGO partners to increase the sustainability of food systems worldwide

### **100% Increase In smallholder productivity & Income**

Distributing food and in-kind aid through vocational training programs to allow individuals, particularly young people and women, to receive the necessary training to gain employment and earn a living

### **Zero loss or waste of food**

Overseeing a carefully executed distribution, monitoring and evaluation process of our meals and gifts in-kind to ensure that aid is safely transported, securely stored and appropriately deployed once it arrives in-country
