OAJ EFILING PORTAL – BROWSER SETTINGS

You must use Internet Explorer (version 6, 7 or 8) when filing through the eFiling portal. Other browsers are not supported and are not fully functional. The following settings are <u>optional</u> and are suggested only to prevent redundant browser warnings.

Internet Options	
Tools Help Delete Browsing History Pop-up Blocker Phishing Filter > Manage Add-ons > Subscribe to this Feed > Feed Discovery > Windows Update Diagnose Connection Problems Tinternet Options	In Internet Explorer, select " Tools " from the menu bar and open " Internet Options ". Open the " Security " tab:
