Indigenous peoples and communities – benefits and livelihoods

Nagoya International Congress Centre, Nagoya Japan
(Room 211A, 1st floor, Building 2)

Co-convenors: Conservation International and UNDP Equator Initiative

Indigenous Peoples and Local Communities Day will highlight “***Local Voices and Local Solutions of Indigenous Peoples and Local Communities to biodiversity conservation and climate change***”. Throughout the day, Indigenous Peoples and local community representatives and partners will run side events and workshops that demonstrate local experience and leadership in protecting biodiversity, addressing climate change through traditional knowledge and practice and also efforts to increase and expand capacities to address pressures on their communities. Workshop topics include: Protected Areas/Community, Conserved Areas/ Indigenous Protected Areas, local responses to climate change, traditional knowledge, Indigenous and Local Community Capacity Building Initiatives, developing negotiating skills within the CBD context and REDD Readiness.
