1. The Chairperson submits herewith for the approval of the Commission the draft timetable of work (Annex), which has been drawn up taking into account the recommendations formulated by the Executive Board and adopted by the General Conference concerning the organization of the work of the 38th session (38 C/2 Prov. 6. The Chairperson takes this opportunity to point out that, should the examination of an item take less time than foreseen, the debate on the next item on the agenda will start immediately.
