

Using E-Science to Strengthen the
Interface between
Science, Policy and Society

Emanuel Feruzi

Co-Founder of KINU Innovation Space
Statistical Computing Lecturer at EASTC

A word cloud featuring various languages. The word 'Swahili' is the largest and most prominent, centered at the bottom in a bold blue font. Other languages are scattered around it in various colors and orientations, including Arabic, Swedish, Indonesian, French, German, Italian, Norwegian, Dutch, Polish, Japanese, Serbian, English, Russian, Mandarin, Turkish, Portuguese, Spanish, Danish, Greek, and Croatian.
