

DCF 2016 POLICY BRIEFS

This series of DCF 2016 Policy Briefs aims to contribute to the preparations for the Fifth Biennial High-level Meeting of the Development Cooperation Forum (DCF), to take place at United Nations Headquarters in New York in July 2016 (week of 18 July).

The DCF is a global forum for policy dialogue on development cooperation engaging all stakeholders. It is open to all governments and engages also civil society, academia, Parliamentarians, local and regional authorities, philanthropic foundations, private sector, and international organizations.

The Policy Briefs tackle key issues in development cooperation in light of the 2030 Agenda for Sustainable Development, including the Addis Ababa Action Agenda on financing for development. They provide concrete policy recommendations and key messages for different stakeholders.
