

## FEDERATED STATES OF MICRONESIA – Osaia Santos

Title	NATIONAL PRIDE AND UNITY, enrichment programs in competing for the designs and posters as a promotion for the unity and pride of our Youth of the four states of the FSM	
Origin	UNESCO Youth Visioning Project for the FSM.	
Beneficiaries	Young people (male & female) of the Federated States of Micronesia	
Partners	Lead organization	FSM National Youth Coordinator, Government Department of Health, Education and Social Affairs.
	Youth organizations	FSM Youth Council Incorporated, Yap Youth Congress, Chuuk Youth Council, Pohnpei Youth Council, Kosrae Youth Council.
	Other organizations	HIV/AIDS and TB Global Funds, Substance Abuse & Mental Health (SAMH) Mother Child Health (MCH), Faith based Organizations (FBO), Micronesian Seminar and the FSM National Nutritionist.
Duration	The competition in the design to start during the month of March until May 2006. All competition to be completed a month prior to the FSM Youth Summit.	
Budget	US\$2,000.00 – the supplemental funding to support for the competition among the FSM Youth in the design of actual posters or banner for the promotion of our Youth Pride and Unity, plus the actual constructions of the roadside posters and banners winners for the promotion.  Please refer to the attached sheet of paper for further details.	
Theme	2006 Youth Summit Theme was already formulated during earlier Youth Council's meeting <sup>8</sup> of April 2005.  "Youth Empowerment for Sustainable Future"	
Priority Issue	National Youth Policy Objective 6.7: "Youth With National Pride" To nurture national pride and maintain a spirit of cooperation and partnership among the young people of the Federated States of Micronesia.	
Goal	Young people demonstrate to demonstrate their pride by designing appropriate posters and banners for the unity and pride of our youth in across the nation.	
Objective(s)	To promote and encourage greater cooperation to build strong relationship among youth and organizations leading to a strong sense of pride and national identity for those who have gathered. By working together to resolve current issues affecting youth in the islands and the region as well.	
Activities	Youth in each state of the FSM would compete to design the best promotion materials or designs or posters for use on the roadsides or where sports are being held. The winner in each state will be given \$100 as prize money. The winner's design will be use in the state as a promotional board and banners, posters in the islands for the purpose of strengthening national pride and unity among youth during the upcoming summit.  Two activities will be involved here and they are: 1s phase, competition among youth of the state in the design or posters. The winners to be awarded with \$100 2 <sup>nd</sup> phase is the actual construction of the winner's design, by the roadside poster or banner or whatever the state see fitting. To design can focus on gender-inclusiveness, which can be health related issues including HIV/AIDS, TB in the FSM, suicide	

	<p>preventions and teen's early and/or unwanted pregnancy preventive measures to consider for banners, board signs, and posters.</p> <p>Training on the community enrichment programs and develop partnership among adult-youth, parent-child sharing, during these community projects, etc.</p>
Action Needed	<p>The National Youth Coordinator will closely work with the state youth coordinators in the initial part of the youth enrichment project in each state, before the FSM Youth Summit in June 2006.</p> <p>A communiqué is to be developed for transmittal to the President on the enrichment project scheme for boost National Pride and Unity among youth across the Nation.</p>
