

# 138 "Prof. Vassil Zlatarski" Comprehensive School

*Sofia Bulgaria*

*The school was founded in 1961 and named after the first man in space, the famous Russian astronaut Jurii Gagarin. In the same year he visited Sofia and planted a pine tree in the school yard as a symbol of tolerance and understanding*

*In 1995 the school was renamed  
Professor Vassil Zlatartski  
after the prominent Bulgarian  
historian*

# TRADITIONS AND INNOVATIONS
