

Using values to drive a global movement

- 80 people from 5 continents
- #ProudtoShare our stories
- New global pilots to build the brand

Belonging together

in Ukraine, Moldova and Romania by connecting people and places through local products from the biosphere reserve.

Empowering people

in Peru by inviting a diverse local community to manage the Oxapampa Ashaninka Yanesha BR.

Modeling solutions

in Namibia by creating a campsite for women in the local community to run and create income.

Celebrating life

in Madagascar with a festival where farmers throw rice into the rivers to feed the fish and celebrate the connection between food and nature.
