Infrastructure and Cities

Presentation

- **Mr Richard Connor**
Editor-in-Chief of the United Nations
World Water Development Report
(WWDR)

Conference Language: English
Language Q&A session: English

Improved wastewater management is not only critical to achieving the Sustainable Development Goal on clean water and sanitation (SDG 6), but also to other goals of the 2030 Agenda for Sustainable Development. Indeed, improved wastewater management generates social, environmental and economic benefits essential for sustainable development

our world
our dignity
our future
