Creating a Connected Community

HM SPEECHES AND THOUGHTS

“The more thought becomes diverse, open and free of fanaticism, the more it becomes a correct and sound basis for building generations, the progress of nations and the advancement of societies.

Inflexibility, extremism and immoderation are the opposite to all this and societies which adopt such ideas only carry within themselves the seeds of their eventual destruction.”

The Council of Oman, 31.10.2011
