Dear Journalists,

From 19th October to 28th December 2015, an intensive program on Youth Mobile App Development for Cambodian Youth will be held at the Phnom Penh Center, Building E, 4th Floor. This initiative is implemented under the project supported by the United Nations Education, Scientific and Cultural Organization (UNESCO), in collaboration with the InSTEDD.

Through this program, Cambodian youth will learn to code to address social issues, and pitch their mobile app prototypes for a competition!
