

International Hydrological Programme

55th session of the IHP Bureau
(Paris, 20-22 June 2017)

SUMMARY OF WATER-RELATED CHAIRS' AND CENTRES' PARTICIPATION IN IHP ACTIVITIES AND EVENTS

Sub-item 4.1 of the provisional agenda

Summary

This document presents a summary of water-related Chairs' and Centres' participation in IHP activities and events.

Summary of water-related Chairs' and Centres' participation in IHP activities and events:

Event/Activity	Group	Participating Centres	Participating Chairs
Theme 1 - Water-related disasters and hydrological change			
"Flood resilience in Climate Change is Necessary to Sustainable Development" Jakarta, Indonesia, October 2016	IV	- International Centre for Water Hazard and Risk Management (ICHARM)	
"Implementation Planning Workshop on IFI in Asia-Pacific", Tokyo, Japan, January 2017	IV	- International Centre for Water Hazard and Risk Management (ICHARM)	
"GEOSS Asian Water Cycle Initiative (AWCI)" Tokyo, Japan, January 2017	IV	- International Centre for Water Hazard and Risk Management (ICHARM) - Regional Centre on Urban Water Management (RCUWM)	
"2nd Working Group Meeting of the World's Large Rivers Initiative" Vienna, Austria, June 2016	I	- Regional Centre on Urban Water Management (RCUWM)	- UNESCO Chair on Integrated River Research and Management
"Improve stakeholder engagement in decision making to combat extreme flood and drought Impacts of Climate Change" COP22, Marrakech, Morocco, November 2016	V.b	- International Centre for Water Hazard and Risk Management (ICHARM) - International Center for Integrated Water Resources Management (ICIWaRM)	
"Future directions and revitalizing of FRIEND-Water Programme in line with IHP-VIII and Agenda	I	- International Centre for Water Resources and Global Change (ICWRGC)	

2030” UNESCO HQ, Paris, France, January 2017			
Workshop “Hydrological Risk Management UNESCO’s contribution to Sustainable Development in the Caribbean”, Aruba, December 2016	III		UNESCO Chair Sustainable Water Technology and Management (Curaçao)
Theme 2 – Groundwater in a changing environment			
Workshop on “The General Principles of Transboundary Water Cooperation”, Mexico, October 2016	III	- Regional Centre for Groundwater Management for Latin America and the Caribbean (CeReGAS)	
Course on Groundwater, water security and governance, transboundary areas, Montevideo, Uruguay, April 2017	III	- Regional Centre for Groundwater Management for Latin America and the Caribbean (CeReGAS)	
Theme 3 – Addressing water scarcity and water quality			
Training on “Application of Satellite Remote Sensing to Support Water Resources Management in LAC”, Foz de Iguazu, Brazil, July 2016	III	- International Centre on Hydroinformatics for Integrated Water Resources Management (CIH)	
Regional Expert Meeting on Water Quality, Abuja, Nigeria, December 2016	V.a	- Regional Centre for Integrated River Basin Management (RC-IRBM)	
Inter-Regional Workshop on South-South Cooperation for upscaling Integrated Water	V.a	- Regional Centre for Integrated River Basin Management (RC-IRBM)	

Resources Management, Abuja, Nigeria, January 2017			
International seminar on “rainwater harvesting techniques”, Santiago, Chile, March 2017	III	- Water Centre for Arid and Semi-Arid Zones of Latin America and the Caribbean (CAZALAC)	
Theme 4 – Water and human settlements of the future			
4 th UNECWAS Seminar, Tampere, Finland, March 2016	I	-	- UNESCO Chair in Sustainable Water Services, Tampere University of Technology
Theme 5 – Ecohydrology – engineering harmony for a sustainable world			
6 th Africa Water Week (AWW), Dar es Salaam, Tanzania, July 2016	V.a	- International Centre on Coastal Ecohydrology (ICCE)	
5 th International EcoSummit, Montpellier, France, August 2016	I	- European Regional Centre for Ecohydrology (ERCE) - International Centre for Integrated Water Resources Management (ICIWARM) - UNESCO-IHE Institute for Water Education	
2 nd African International Symposium on Ecohydrology, Addis Ababa, Ethiopia, November 2016	V.a	- African Regional Centre for Ecohydrology (ARCE) - European Regional Centre for Ecohydrology (ERCE) - International Centre on Coastal Ecohydrology (ICCE) - UNESCO-IHE Institute for Water Education	
Advanced Training Course in Ecohydrology, Addis Ababa, Ethiopia, November 2016	V.a	- African Regional Centre for Ecohydrology (ARCE) - European Regional Centre for Ecohydrology (ERCE) - International Centre on Coastal Ecohydrology (ICCE) - UNESCO-IHE Institute for Water Education	

International Conference on Ecohydrology, Campos, Brazil, March 2017	III	<ul style="list-style-type: none"> - African Regional Centre for Ecohydrology (ARCE) - International Centre on Coastal Ecohydrology (ICCE) - IHE-Institute for Water Education - International Centre on Hydroinformatics for Integrated Water Resources Management (CIH) 	<ul style="list-style-type: none"> - UNESCO Chair in Ecohydrology Water for Ecosystems and Societies - UNESCO Chair on Water, Women and Development (Brazil) - UNESCO Chair in Water Education for Sustainable Development (Argentina)
Theme 6 – Water Education –key to water security			
Event on “Gender as a management tool for the sustainability of drinking water in villages”, at COP 22, Marrakech, November 2016	V.b		<ul style="list-style-type: none"> - UNESCO Chair, Water Women and decision making
Training for Young Civil Servants from Ministries and Departments of Water Sectors of Central Asia and Afghanistan, Almaty, Kazakhstan, September 2016	IV		<ul style="list-style-type: none"> - UNESCO Chair on Water Resources Management
CILAC 2016 Regional Forum on Science, Montevideo, September 2016	III	<ul style="list-style-type: none"> - Regional Centre for Groundwater Management for Latin America and the Caribbean (CeReGAS) - International Centre on Hydroinformatics for Integrated Water Resources Management (CIH) 	<ul style="list-style-type: none"> - UNESCO Chair on Water and Culture (Uruguay)
