Description:

Aiming to bring attention to the need for Comprehensive Sexuality Education (CSE) and to empower and encourage young leaders to influence their national policies, CHOICE for Youth and Sexuality and YouAct initiated the “Europe for CSE” project, with support from ShareNet. Youth advocates from Cyprus, Georgia, Poland, Romania and the Netherlands joined forces, worked online and met in Amsterdam to set-up concrete advocacy plans at national level, including meetings with volunteers, round tables, online campaigns and reaching out to policy makers and influencers.
