

## National HIV, AIDS, and STI policy 2017-2022

Government of Samoa, 2017. 98 p.

### Organizations:

Samoa. Government

### Description:

This policy document seeks to address the specific challenges Samoa's national response faces in addressing HIV, AIDS and STI's. Each section contains objectives that form the National Strategy, with corresponding Key Strategic Actions that form the National Strategy. The last section details that plan of action for mobilizing activities according to the strategy. The content of each section provides guidelines and reference materials for all organizations, communities and individuals involved in improving sexual health.
