Submission #24

Personal information

Name Richard Hill

Organisation Association for Proper Internet Governance

Email address rhill@alum.mit.edu

Country/region Switzlernad

Gender Make

How would you define the stakeholder community or communities to which you belong? Civil society

Questions

1. What are your priorities for issues that should be addressed through the Internet Universality framework in each of these five categories?

Rights	Access, privacy, data protection
Openness	Free speech
Accessibility	Accessibilty for people with disabilities
Multistakeholder participation	Must be within a democratic decision-making system
Cross-cutting indicators	Percet of people having affordable access

2. Are there are any existing indicators with which you are familiar that you think it would be useful to include in the ROAM indicators framework?

Rights	
Openness	Various existing surveys on censorship, etc.

Accessibility	
Multistakeholder participation	
Cross-cutting indicators	

3. What do you think are the most important gaps in data/evidence required for monitoring Internet Universality and the ROAM principles? What approaches do you think could help to address these in your country, region or area of work?

Rights	Cost of international interconnection, number of states practicing mass surveillance
Openness	
Accessibility	Percent of people with disabilities who are helped
Multistakeholder participation	Number of decisions made by democratic processes, both at the international and national levels
Cross-cutting indicators	

4. What experience or views do you have of indicators relating to the Internet which are concerned with gender and with children and young people?

5. How do you think you might use the indicator framework for Internet Universality once it has been developed?

6. How do you think that other stakeholders might use the framework?

7. Please add any other comments that you think will be helpful to UNESCO in developing the indicators framework.

8. Please upload any documents that you think will be helpful here.
