for Educational Planning

UNESCO - IIEP LIBRARY CLASSIFICATION SCHEDULE

THE BACKGROUND TO EDUCATION

1 - Economics and Development

Basic needs - 010A
Development and growth - 010B
Economic science - 010C
Endogenous development - 010D
Future studies - 010E
Poverty - 010F
Socialism, Marxism - 010H

2 - National Development Plans, Statistics and Studies

Country economic studies - 020A
Development planning: country studies - 020B
Socio-economic development plans - 020C
National accounts and budgets - 020D
Statistical data - 020E

3 - Development Planning

Decision-making - 030B
Models and simulation - 030E
Network analysis (PERT)- 030F
Planning and plan implementation - 030G
Project analysis - 030I
Systems analysis - 030J

4 - Statistical Methods

Socio-economic indicators - 040A
Statistical methods - 040B
Statistics - applications - 040C
Surveys and sampling - 040D

5 - Public Finance

National accounts and budgets (methodology)- 050A

Public Finance - 050C

6 - Agriculture, Food, Health

Agrarian reform - 060A

Agriculture - 060B

Environment - 060D

Food - 060E

Health - 060F

Housing - 060G

HIV and AIDS - 060H

7 - Labour

Classification of occupations - 070A

Equality in employment - 070B

Labour - 070D

Labour migration - 070F

Labour relations - 070G

Labour statistics - 070H

Wages - 070I

Women and work - 070J

Working conditions - 070L

8 - Population

Demographic analysis - 080A

Migration - 080B

Population and development - 080C

Population and education - 080D

Population policy, family planning - 080E

Population statistics - 080F

Population trends and problems - 080G

9 - Industry and Commerce

Economic integration - 090A
Energy - 090B
Industrial development - 090C
Enterprises (public and private)- 090E
Tourism - 090F
Trade - 090G

10 - Social Aspects of Development

Children - 100A
Culture and cultural policies - 100B
Human rights - 100C
Peacebuilding - 100D
Politics and government - 100E
Interethnic relations - 100F
Human development - 100G
Social planning and social policy - 100H
Women - 100I
Youth - 100J

11 - Social Sciences

Inequality - 110A
Social mobility - 110C
Social research methods - 110D
Social sciences - 110E

12 - Regional Development

Community development - 120A
Geography - 120B
Island countries - 120C
Participation - 120D
Regional development - 120E
Regional disparities - 120F

Rural development - 120G
Urban development - 120H

14 - Management

Management - 140A
Management education - 140B
Organization theory - 140C

15 - Public Administration

Development administration - 150A
Local government - 150B
Public administration - 150C
Training for public and development administration - 150D

16 - Communication

Communication - 160A
Communication policies - 160C

17 - Science and Technology

Research and development - 170B
Science and technology - 170C
Science and technology for development - 170D
Science policies - 170E
Technological change - 170H
Technology transfer - 170I

EDUCATIONAL PLANNING

21 - Educational Plans and Policies

Educational planning: country studies - 210A

Educational plans - 210B

Educational policies - 210C

Educational reforms - 210D

22 - Employment and Manpower

Brain drain - 220A

Education, employment and work - 220B

Employment - 220C

Employment - rural - 220D

Employment - urban and informal sector - 220E

Employment - youth - 220F

Manpower - 220G

Manpower - high level - 220H

Manpower planning - 220I

Occupational and educational structure of the labour force - 220J

Occupational mobility - 220K

23 - Educational Planning Methodology

Educational forecasting - 230A

Educational models - 230B

Educational planning methods - 230C

Educational projects and programmes - 230D

Enrolment projections - 230E

PERT in education - 230F

Systems analysis in education - 230H

23.1 - Statistical methods in educational planning

Statistical methods in educational planning – EMIS - 231A

Classification of educational systems - 231B

Educational indicators - 231C

24 - Management of Educational Planning

Decision-making and Policy-making in education - 240B

Implementation of educational plans and educational reforms and policies - 240C

Training educational planners - 240D

25 - Educational Planning - General Studies

Educational planning - 250A

Quality of education - 250B

Integration with other plans - 250C

26 - Education and Development

Education and development - 260A

Education and modernization - 260B

Education and national integration - 260C

Education in developing countries - 260D

Islamic education - 260E

26.1 - Sociology of Education

Determinants of education - 261A

Education and Society - 261B

Educational equality - 261C

Multicultural education - 261D

Religion and education - 261E

Social demand for education - 261F

Social returns to education - 261G

Socialization and schooling - 261H

Sociology of education - 261I
Sociology of the school - 261J
Education for All, EFA - 261K

26.2 - Politics of Education

Political socialization - 262A
Politics of education - 262B

27 - Economics of Education

Economics of education - 270A
Human capital - 270C
Cost-effectiveness of education - 270D
Returns to education - 270E

27.1 - Educational Wastage

Educational wastage - 271A

LEVELS AND TYPES OF EDUCATION

31 - Pre-primary and Primary Education

Early childhood education - 310A
Primary and universal education - 310B

31.1 - Basic education

Basic education - 311A

32 - Secondary Education

Post-compulsory education (16-19 years)- 320A
Secondary education - 320B

33 - Higher Education

Higher education in developed countries - 330A
Higher education in developing countries - 330B
Access to higher education - 330C
Globalization and internationalization of higher education - 330D
Distance and open learning in higher education - 330E
Curriculum - 330F
Demand for higher education - 330G
Equivalences - 330I
Evaluation in higher education - 330J
Postgraduate education - 330L
Higher education and development - 330M
Innovations in higher education - 330N
Lifelong education and the university - 330O
Politics of higher education - 330P
Professional education - 330Q
Reform of higher education - 330R
Research on higher education - 330S
Sociology of higher education - 330T
Students - 330U
Teachers in higher education - 330V
Teaching methods - 330W

33.1 - Economics and Management of Higher Education

Higher education planning - 331A
Institutional management in higher education - 331B
Economics of higher education - 331C
Financing of higher education - 331D
Student finance in higher education - 331E
Costs and cost-effectiveness of higher education - 331F
University enterprise partnership - 331G

34 - Education in Rural and Urban Areas

Agricultural education - 340A
Community education - 340C

Rural education - 340D
Urban education - 340E

35 - Technical and Vocational Education

Industry and education - 350A
Technical and vocational education - 350B
Vocational education teachers - 350C
Work experience programmes - 350D

35.1 - Educational and Vocational Guidance

Educational and vocational guidance - 351A

36 - Non-formal Education

Distance education - 360A
Non-formal education - 360B

36.1 - Adult and Lifelong Education

Adult education - 361A
Adult educators - 361B
Adult learning - 361C
Lifelong education - 361E
Recurrent education - 361F

36.2 - Literacy

Adult literacy - 362A
Literacy methods - 362B
Literacy personnel - 362C
Literacy programmes - 362D
Post-literacy - 362E

38 - Disadvantaged Groups Education

Compensatory education - 380A

Emergency and Refugee Education - 380B

Gifted children - 380C

Nomad, minority and migrant education - 380D

Special education - 380E

Education in the context of HIV and AIDS – 380H

39 - Girls and Women's education

Girls and women's education - 390A

EDUCATIONAL MANAGEMENT

41 - Educational Management

Educational Management - 410A

Inspection - 410B

Ministries of Education - 410C

Private education - 410D

School leaving age - 410E

Training educational administrators - 410F

42 - School Management

Grading and grouping - 420A

Public Private Partnership in Education - 420B

School management - 420C

School size, class size - 420D

School calendars - 420E

43 - Educational Finance

Budgets and budgeting in education - 430A

Educational costs - 430B

Educational expenditure - 430C

Educational finance - 430D

Educational vouchers - 430E

Resource allocation - 430F

Student finance - 430G

44 - Educational Facilities

Educational facilities - 440A

Higher education facilities - 440B

45 - Microplanning of Education

Decentralization - 450A

Regional disparities in education - 450B

Regional planning of education - 450C

School locations - 450D

47 - Teachers and Teacher Education

Teachers - 470A

Teacher associations - 470B

Teacher education - 470D

Conditions of employment for teachers - 470E

Teacher improvement - 470F

Teacher salaries - 470H

Teacher status - 470I

Teacher supply and demand - 470J

48 - Educational Statistics

Educational statistics - 480A

REGIONAL / NATIONAL EDUCATION SYSTEMS

51 - Education in Africa

Education in Africa - 510A

52 - Education in Asia

Education in Asia - 520A

53 - Education in the Arab States

Education in the Arab States - 530A

54 - Education in Europe

Education in Europe - 540A

55 - Education in Latin America and the Caribbean

Education in Latin America and the Caribbean - 550A

56 - Education in North America

Education in North America - 560A

57 - Education in the Pacific

Education in the Pacific - 570A

METHODS, TECHNIQUES AND CONTENT OF EDUCATION

61 - Teaching-Learning Strategies

Teacher-student relations - 610A

Teaching-learning strategies - 610B

62 - Educational Materials

Educational materials and textbooks - 620A

63 - Educational Technology

Educational radio and television - 630B

Evaluation of educational technology - 630D

64 - Computer uses in education

Computer uses in education - 640A

65 - Curriculum

Curriculum development - 650A

Curriculum outlines - 650B

Environmental education - 650E

Health education - 650F

Values and peace education - 650G

Population education - 650H

Science education - 650I

Social studies - 650J

66 - Language, Reading and Books

Bilingual education - 660A

Reading - 660B

Language and education - 660C

Books – 660D

Language policy - 660E

Modern language instruction - 660F

Mother tongue instruction - 660G

INTERNATIONAL COOPERATION

71 - International Co-operation

International co-operation - 710A

Aid recipients - 710B

Investment in/by developing countries - 710C

Technical co-operation - 710D

Technical co-operation among developing countries - 710E

72 - International Organizations and NGOs

International organizations - 720A

European Community - 720B

UNESCO - 720C

United Nations - 720D

World Bank - 720E

Nongovernmental organizations, NGOs - 720F

73 - Bi-lateral aid

Bi-lateral aid - 730A

74 - International Co-operation in Education

Educational assistance - 740A

Education co-operation - 740B

EDUCATIONAL SCIENCES

81 - Theories and Philosophy of Education

Educational alternatives - 810A

Educational futures - 810B

Educational history - 810C

Educational philosophy - 810D

Educational sciences - 810E

Socialist theories of education - 810F

82 - Educational Innovation

Educational change process - 820A

Educational innovations - 820B

83 - Comparative Education

Comparative education - 830A

85 - Educational Psychology

Child development - 850A

Educational psychology - 850B

Cognitive development - 850D

86 - Educational Evaluation

Classroom observation - 860A
Curriculum Evaluation - 860B
Educational evaluation - 860C
Evaluation of social programmes - 860F
Teacher evaluation - 860G

87 - Educational Measurement

Educational measurement - 870A
Examinations - 870B
Qualifications - 870C
Cross National Studies - 870D
Studies of achievement - 870E
Testing - 870F

REFERENCE WORKS

91 - Educational Research

Educational research - 910A
Educational research methodology - 910B
Reviews of educational research - 910G
Use of educational research - 910H

92 - Directories and Yearbooks

Acronyms - 920A
Biographical dictionaries - 920B
Directories and yearbooks - 920C

93 - Dictionaries

Language dictionaries - 930A

Subject dictionaries - 930B

93.1 - Thesauri

Thesauri - 931A

93.2 - Encyclopaedias

Encyclopaedias - 932A

94 - Atlases

Atlases - 940A

95 - Bibliographies

Bibliographies - 950A

96 - Library and Information Science

Archives - 960A

Educational libraries and resource centres - 960B

Library and information science - 960C

Information systems - 960D

96.1 - Educational Information

Educational information - 961A

97 - Manuals

Bibliographical research - 970A

Correspondence, report writing, style, editing, electronic publishing - 970B

How to study, how to do research - 970C

Tables - 970D

Communication skills - 970E

98 - Informatics

Informatics and computers - 980A

Software and programming languages - 980B

New Information and Communication Technologies (NICT), Internet - 980C
