A) In a digital and globalized world, literacy is more vital than ever.

We invite you to tell us your thoughts how to eradicate illiteracy through formal and non-formal education and training

B) Education is power!

We invite you to tell us what does education mean to you?

- C) Teachers are the most influential and powerful forces for equity, access and quality in education!

We invite you to share your thoughts on how to ensure that teachers are qualified, supported and adequately recruited to guarantee everyone's right to education.

- D) Despite progress, more girls than boys still remain out of school – and this must change! Education is the best tool to empower girls, to help them dream big and lead the life they dream of!

Do you agree?
