(4) The persons appointed to be members of either Council shall hold and vacate office in accordance with the terms of their respective appointments, and on ceasing to be members shall be eligible for re-appointment:

Provided that a member may at any time by notice in writing to the Secretary of State resign his office.

(b) for the observance by each of those authorities of any requirements made by the library council, including requirements as to the payment by the authority of contributions towards the expenses of the council, and containing such other provisions directed to the promotion of inter-library co-operation within and outside the region as may appear to the Secretary of State to be expedient.

which is included in the

library council shall be represented on the council by such  
of the persons so included as may be determined in accordance  
with the scheme establishing the council.

(4) A power conferred by this section to make an order or  
scheme shall be exercisable by statutory instrument, which shall  
be subject to annulment in pursuance of a resolution of either  
House of Parliament; and an order or scheme made under this  
section may be varied or revoked by a further order or scheme  
thereunder:

Provided that before varying or revoking a scheme the  
Secretary of State shall consult the library council in question  
as well as the relevant library authorities.

(5) The Secretary of State may, with a view to improving  
the efficiency of the public library service or promoting its  
development, require any library council established under this  
section to enter into and carry into effect arrangements with  
another such council or with any other body having functions  
in relation to libraries.

4.—(1) Subject to the provisions of this Act, each of the following local authorities shall be a library authority, that is to say—

- (a) the council of a county or county borough;
- (b) the council of a London borough, and the Common Council of the City of London;
- (c) the council of a non-county borough or urban district where either—
  - (i) the council was a library authority immediately before the commencement of this Act, or
  - (ii) the council has been approved by the Secretary of State under section 6(3) below,

and any other local authority being a library authority immediately before the commencement of this Act shall at that commencement cease to be a library authority.

(2) The functions of a library authority as such shall be exercisable within an area (in this Act referred to as a "library area") consisting of the administrative area of the authority, or—

- (a) in the case of a county council, consisting of so much of its administrative area as excludes the library area of any other library authority, or
- (b) in the case of a joint board established under section 5 below, consisting of the areas which, if the authorities constituting the board were library authorities, would form their library areas,

and may also be exercised elsewhere than within its library area if the authority thinks fit.

Joint boards.

5.—(1) The Secretary of State may with the agreement of two or more library authorities by order provide for the formation of a joint board consisting of those authorities, which, from the date on which it begins to exercise its functions, shall be a library authority in lieu of those authorities; and without prejudice to the operation of section 293(1) of the Local Government Act 1933 (which authorises the application of that Act to joint boards) the order may provide for the incorporation of the joint board, for its procedure (including quorum), and for the manner in which its expenses are to be defrayed.

The said section 293(1) shall apply to the formation under this section of a joint board comprising the Common Council of the City of London as if the Common Council were a local authority within the meaning of the said Act of 1933.

(2) On the date on which a joint board established under this section begins to exercise its functions—

- (a) the library officers of the authorities constituting the board shall by the operation of this provision be transferred to and become officers of the joint board; and
- (b) the library assets and liabilities of those authorities shall, save as may be otherwise provided by the order setting up the board, be transferred by the operation of this provision to the board.

(3) The Secretary of State may on the application of an authority comprised in a joint board established under this section by order provide for the dissolution of the board, and on its dissolution the authorities constituting the board shall again become library authorities:

Provided that if any of those authorities is the council of a non-county borough or urban district the order may, at the request of the council or where the population of the borough or urban district is less than 40,000, provide that the council shall not so become a library authority.

(4) On the dissolution of a joint board established under this section—

- (a) each library officer of the board shall by the operation of this provision—
  - (i) where at the formation of the board he was a library officer of one of the authorities which on the dissolution of the board again become library authorities, be transferred to and again become an officer of that authority;

6.—(1) Where—

(a) the council of a non-county borough or urban district was a library authority immediately before a date (in this section referred to as a "review date"), being the date of the commencement of this Act or falling ten years after that or any subsequent review date, and

Special provisions as to non-county boroughs and urban districts.

(b) the population of the borough or urban district at the review date is less than 40,000,

the Secretary of State, if, after consulting the council of the borough or urban district and also the county council or, where the county council is comprised in a joint board established under section 5 above, the joint board, and after taking account of any likely changes in the area and population of the borough or urban district and of other relevant matters, he is of opinion that to do so would lead to an improvement in the library facilities made available under this Act in the borough or urban district, may at any time before the next review date by order provide that on a date specified in the order the council of the borough or urban district shall cease to be a library authority.

(2) The power to make an order under subsection (1) above shall be exercisable by statutory instrument, which shall be subject to annulment in pursuance of a resolution of either House of Parliament.

(3) Where the council of a non-county borough or urban district was not a library authority immediately before a review date but the population of its administrative area at that date is not less than 40,000, the Secretary of State may on an application made by the council within six months after that date approve the council as a library authority, and where he does so the council shall become a library authority on a date specified by him in giving notice of his approval to the council.

(4) Before determining an application under subsection (3) above the Secretary of State shall consult the county council or, where the county council is comprised in a joint board established under section 5 above, the joint board.

(5) Where the council of a non-county borough or urban district is a library authority it may at any time resolve to relinquish its functions as such, and if the Secretary of State by

order confirms the resolution the council shall cease to be a library authority on such date as is specified in that behalf in the order.

(6) Where, under any provision of this Act other than section 5 above, the council of a non-county borough or urban district at any time ceases to be a library authority—

(a) the library officers of the council shall by the operation of this provision be transferred to and become officers of the authority assuming the library functions of the council, that is to say, where after that time the library area of the council will be comprised in the library area of a joint board, that joint board, and in any other case the county council ; and

(b) the library assets and liabilities of the council shall, save as may be otherwise directed by the Secretary of State, be transferred by the operation of this provision to the said authority.

(7) Where the council of a non-county borough or urban district is approved by the Secretary of State under subsection (3) above he may by order make such provision as he thinks fit with respect to the transfer to the council of any library assets and liabilities of the county council or, where the county council is comprised in a joint board established under section 5 above, of the joint board, being assets and liabilities which relate, or are referable, to the library area of the approved council.

General  
duty of  
library  
authorities.

7.—(1) It shall be the duty of every library authority to provide a comprehensive and efficient library service for all persons desiring to make use thereof, and for that purpose to employ such officers, to provide and maintain such buildings and equipment, and such books and other materials, and to do such other things, as may be requisite :

Provided that although a library authority shall have power to make facilities for the borrowing of books and other materials available to any persons it shall not by virtue of this subsection be under a duty to make such facilities available to persons other than those whose residence or place of work is within the library area of the authority or who are undergoing full-time education within that area.

(2) In fulfilling its duty under the preceding subsection, a library authority shall in particular have regard to the desirability—

and grants.

(2) The Secretary of State may make grants to any body which maintains book catalogues or indexes to which all library authorities are permitted to refer, or otherwise makes available to all library authorities facilities likely to assist them in the discharge of their duty under section 7(1) above.

Default powers of Secretary of State.

10.—(1) If—

- (a) a complaint is made to the Secretary of State that any library authority has failed to carry out duties relating to the public library service imposed on it by or under this Act ; or
- (b) the Secretary of State is of opinion that an investigation should be made as to whether any such failure by a library authority has occurred,

and, after causing a local enquiry to be held into the matter, the Secretary of State is satisfied that there has been such a failure by the library authority, he may make an order declaring it to be in default and directing it for the purpose of removing the default to carry out such of its duties, in such manner and within such time, as may be specified in the order.

(2) If a library authority with respect to which an order has been made under the preceding subsection fails to comply with any requirement of the order, the Secretary of State, instead of enforcing the order by mandamus or otherwise,—

- (a) if the authority is the council of a non-county borough or urban district, may make an order providing that on a date specified therein the council shall cease to be a library authority, or
- (b) if the authority is a joint board, may make an order providing that on a date specified therein the board shall be dissolved and—
  - (i) that on its dissolution the authorities constituting the board, other than any council of a non-county borough or urban district with a population less than 40,000, shall again become library authorities ;
  - (ii) that any council of a non-county borough or urban district comprised in the board with a population less than 40,000 shall or shall not so become a library authority, as the Secretary of State thinks fit ;

(2) Section 60(2) of the Local Government Act 1958 (which requires provision to be made by regulations for the payment in certain cases of compensation for loss of employment or loss or diminution of emoluments) shall apply as respects persons—

(a) who suffer loss of employment or loss or diminution of emoluments in consequence of their transfer by the operation of any provision of this Act, or

(b) who, being officers of a county council or a joint board established under section 5 of this Act, suffer loss of employment or loss or diminution of emoluments in consequence of a reduction in the library area of the county council or joint board resulting from the approval of the council of a non-county borough or urban district as a library authority,

as it applies in the cases there provided.

(3) Where any library officers or library assets and liabilities have been transferred by the operation of this Act from one local authority to another, those authorities may by agreement provide for the making of such adjustments in relation to their respective property, rights and liabilities as appear to them to be desirable having regard to the transfer, and any such agreements may in particular provide for the making of payments by either party thereto.

(4) Where it appears to the Secretary of State that having regard to any such transfer it is desirable that any such adjustment as is mentioned in subsection (3) above (including any payment by either of the authorities concerned) should be made, he may, subject to any agreement made under that subsection and after consultation with the authorities concerned, by directions make provision for that adjustment.

(5) Where any question arises as to whether any library officers or library assets and liabilities have been transferred by the operation of this Act from one local authority to another, that question shall be determined by the Secretary of State.

(6) The provisions of Schedule 1 to this Act shall have effect as respects superannuation and other benefits in the cases there provided.

1.—(1) Subject to the following sub-paragraphs, any provisions contained in or made under—

- (a) the Local Government Superannuation Acts 1937 to 1953, the Superannuation (Miscellaneous Provisions) Act 1948 or the National Insurance Act 1959, or
- (b) any Act passed after the passing of this Act whereby any of those Acts is amended, extended or superseded, or
- (c) any local Act under which any authority maintains a superannuation fund,

shall, in relation to a library officer transferred by the operation of this Act from one local authority to another, have effect (save in so far as, in the case of a provision coming into operation after the passing of this Act, the contrary is expressly provided) as if his employment by those authorities were one continuous employment.

(2) Sub-paragraph (1) above shall not have effect for the purposes of section 29 of the Local Government Superannuation Act 1937 (which provides for the payment of transfer values on a change from one superannuation fund to another), but, with respect to any transfer values which apart from any direction under this sub-paragraph would, in the case of a transfer of a library officer, be payable under the said section 29 by the administering authority or joint committee maintaining one superannuation fund (in this sub-paragraph referred to as the transferor fund) to the administering authority or joint committee maintaining another superannuation fund, the Minister of Housing and Local Government, if in the circumstances he considers it equitable to do so, may give directions for securing that—

- (a) no such transfer values will be payable in consequence of the transfer;
  - (b) the assets comprised in the transferor fund will be apportioned in such manner as the administering authorities or joint committees concerned may agree or, in default of such agreement, the said Minister may determine; and
  - (c) in respect of such part of those assets as may be so agreed or determined, such financial adjustments (whether by way of the transfer of assets or the making of a payment or both) as may be so agreed or determined shall be made;
- and any directions given under this sub-paragraph may include such incidental, supplementary and consequential provisions as the said Minister considers appropriate.

A direction shall not be given under section 11(4) of this Act with respect to any matter as to which a direction is authorised to be given under this sub-paragraph.

SCH. I

(4) Sub-paragraph (1) above shall not affect the power to make regulations under section 36(6) of the Local Government Superannuation Act 1937 with respect to such administrative action to be taken by local authorities as is mentioned in Schedule 3 to that Act, and, except as may be expressly provided in the regulations, shall not affect the operation of any such regulations.

2. Any such statutory resolution as is mentioned in section 3(2)(b) or (c) (designation of persons as contributory employees) of the Local Government Superannuation Act 1937 which—

- (a) was passed by the authority from which a library officer is transferred by the operation of this Act, and
- (b) is in force at the time the transfer takes effect,

in so far as immediately before that time it applies to the library officer transferred, shall continue in force and have effect in relation to him as if it had been passed by the authority to which he is transferred.

3. Where, immediately before the time at which library officers of any description are transferred by the operation of this Act from one local authority to another, it was the prevailing practice of the first-mentioned authority, in relation to officers of that description, to exercise beneficially (that is to say, so as to secure the making by the authority of payments or of increased payments) any discretionary power exercisable by it by virtue of any pensions provisions, it shall be the duty of the other authority, in relation to those officers, to exercise that power (or any corresponding power under the pensions provisions for the time being in force) in a way which is not less beneficial than that practice; and section 35 of the Local Government Superannuation Act 1937 shall apply to any question arising under this paragraph.

4.—(1) Where a joint board established under section 5 of this Act is dissolved, and at any time before its dissolution a gratuity by way of periodical payments or an annuity—

- (a) was granted to any person by the board on his ceasing to be employed by the board, or
- (b) was granted to the widow or any other dependant of a person who died while in the employment of the board, or who died during the currency of such a gratuity granted to him as mentioned in paragraph (a) above,

SCH. 1 and, if the board had not been dissolved at that time, one or more payments in respect of that gratuity would under the terms of the grant have fallen to be made by the board after that time (whether the board would have been obliged to make those payments or not), those payments shall be made by such authority (being one of the authorities which on the dissolution of the board again become library authorities) as the Secretary of State may determine.

(2) Without prejudice to sub-paragraph (1) above, where for the purposes of any pensions provision the board, if it had not been dissolved, would at any time after the date on which it is dissolved have been the employing authority or former employing authority in relation to—

(a) a person who before that time died while in the employment of the board, or otherwise ceased to be employed by the board; or

(b) the widow or any other dependant of such a person, such authority (being one of the authorities which on the dissolution of the board again become library authorities) as the Secretary of State may determine shall be treated as being at that time the employing authority or former employing authority for those purposes in relation to that person, or to that person's widow or other dependant, as the case may be.

5. In this Schedule—

“pensions” includes lump sums and gratuities;

“pensions provision” means a provision relating to pensions contained in or made under a general or local Act.
