

COUNTERING HATE SPEECH IN THE MEDIA

through Ethics and Self-Regulation

HATE IS ON THE NET

Hateful messages are increasingly frequent on the internet and in the social media.

COUNTERING HATE SPEECH

International standards based on the International Convention on the Elimination of all forms of Racial Discrimination and the International Covenant on Civil and Political Rights, set out:

What kinds of speech must be *legally* banned

What *may* be legitimately banned

What is *legally* permitted even when offensive to some

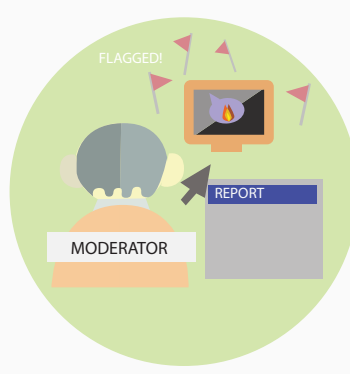

ETHICAL RESPONSES vs. HATE SPEECH ONLINE

Monitoring and analysis by civil society

Self-regulation by media organizations

Moderating by Internet companies

Media and information Literacy for users
