# Smartphone archive speeddate

1. Find a recent photo on your smartphone
2. Turn to your neighbor
3. Tell in 1 minute:
  1. What do we see on the photo?
  2. Why did you choose this photo?

# A media literacy program for young migrants

- International Transition Classes: (language) school as bridge to regular education
- Youth who have recently migrated to The Netherlands
- 12 – 18 years old
- Media literacy as essential part for their participation and social inclusion in the society
