## Webinar: The Blue Schools Kit - an approach for healthy and environmentally friendly schools

Aug 07, 2019

### **FRESH School Health and Nutrition Webinar: The Blue Schools Kit - an approach for healthy and environmentally friendly schools**

**Date:** Thursday, 15th August 2019

- How do you transform a school to being healthy and environmentally friendly using low-cost technologies?
- What activities can inspire students to becoming the next generation of WASH and environment champions to meet SDG 6 targets?
- How does a consortium mechanism work to massively improve water and sanitation coverage while also triggering innovation and knowledge sharing?

Join us and the Swiss Water and Sanitation Consortium as we celebrate International Youth Day to learn more about Blue Schools.

#### **Featured Speakers:**

Daya Moser, Coordinator, Swiss Water and Sanitation Consortium

Lucie Lecert, Consultant, Swiss Water and Sanitation Consortium
