## Services

### Information sharing

If you are undertaking activities related HIV and health education we would like to hear to from you. We encourage you to share with us your stories, resources, news and events for inclusion on this site. Please [contact us](#) for more information.

### Help desk

The HIV and Health Education Clearinghouse is available to support the information needs of policy-makers, practitioners and researchers working on HIV and health education related issues. We can help you identify appropriate information and resources as well as provide you with geographic or thematic annotated resource lists tailor-made for your needs. Please [contact us](#) for more information.

### E-forum

The HIV and Health Education Clearinghouse hosts an [e-forum](#) for virtual discussions on HIV and health education related issues. Past e-forums have been organized for the UNAIDS Inter-Agency Task Team on Education on Teachers and HIV and AIDS, and Treatment, Care and Support for HIV and AIDS in Higher Education Institutions.

### Mailing list

Subscribe to our [mailing list](#) for regular e-mail updates on HIV and health education news, events and resources from around the world.
