UN High-Level Meeting on universal health coverage

When:

Monday, September 23, 2019

Where:

New York, United States

'Universal Health Coverage: Moving Together to Build a Healthier World' will bring together heads of state, political and health leaders, policy-makers, and universal health coverage champions to advocate for health for all. The meeting will aim to garner financial and political commitments from countries and sustain health investments. It will focus on accelerating progress towards universal health coverage, including access to essential health services, including skilled health workforce, financial risk protection and access to safe, quality, effective and affordable medicines and vaccines for all.
