National reproductive health policy: Present and future prosperity through safe motherhood and healthy childhood

Ministry of Health, 2013. 26 p.

Organizations:
South Sudan. Ministry of Health

Description:
The Ministry of Health has developed this National Reproductive Health Policy to provide the appropriate framework and guidance for the promotion and implementation of reproductive health programmes and interventions in the country. The ultimate aim of this policy is to provide an effective national platform for strengthening reproductive health interventions in South Sudan and facilitating the achievement of relevant global, regional and national goals in the interest of improved health, well-being and overall quality of lives of all peoples in the country. This policy is therefore a further demonstration of South Sudan's commitment to the achievement of the ICPD goals and targets within her national boundaries.
