

Parent engagement: Strategies for involving parents in school health

Atlanta: Department of Health and Human Services, 2012. 28 p.

Organizations:

Centers for Disease Control and Prevention, CDC

Description:

This publication defines and describes parent engagement and identifies specific strategies and actions that schools can take to increase parent engagement in schools' health promotion activities. The audiences for this publication include school administrators, teachers, support staff, parents, and others interested in promoting parent engagement. Each of these audiences has different but important roles and responsibilities related to garnering support for, and implementing, these strategies and actions.
