2nd Global Conference: Sexual and gendered violence

When:

Sunday, December 1, 2019 to Monday, December 2, 2019

Where:

Prague, Czech Republic

The second interdisciplinary *Sexual and Gendered Violence* conference seeks to better understand how sex, gender, and sexual orientation impact those experiencing and perpetrating violence. The meeting aims to generate collaborative action that will lead to real, lasting change in the way sexual and gendered violence is perceived and approached in varied settings, and that will bring a useful contribution to the curbing of this phenomenon on a local and global scale.
