

# 3<sup>rd</sup> GLOBAL REPORT ON ADULT LEARNING AND EDUCATION

## Monitoring survey results for Lithuania

UNESCO Region	Central and Eastern Europe
1.1. Does your country have an official definition of ALE?	Yes
1.1.1. Enter the official definition of ALE here:	<p>Republic of Lithuania Law on Non-Formal Adult Education and Continuing Learning defined in 10 June 2014 No. XII-1018. Article 2 states, "Non-formal adult education means education, training or studies designed to meet the needs of an individual and society, through various non-formal adult education programmes satisfying the needs, qualification development programmes and acquisition of additional competences programmes, which are suited for people not younger than 18 years old. "</p> <p><a href="http://www3.lrs.lt/pls/inter2/dokpaieska.showdoc_l?p_id=474309">http://www3.lrs.lt/pls/inter2/dokpaieska.showdoc_l?p_id=474309</a>.</p>
1.2. Has the official definition of ALE changed since 2009?	Yes, a little
1.2.1. What were the reasons for this change?	
1.3. Are literacy and basic skills a top priority for ALE programmes in your country?	Yes
1.3.1. Describe here the key points of your country's policy approach to literacy and basic skills.	<p>1. Adults have an opportunity to study in a formal education system and gain general and secondary education. For example, referring to official data, in 2013-2014 school year 60 people (18+ years) studied according to primary adult education programmes, 3 802 (18+ years) - according to general adult education programmes, 7 064 persons (18+ years) - according to secondary education programmes; 10 926 (18+ years) students in total. 22 October 2014 data from the system (<a href="http://svis.emokykla.lt/">http://svis.emokykla.lt/</a>).2. From 2014, Lithuania participates in PIAAC research. The results will be presented in 2016. It will help to identify the need of basic competences and create training programmes more accurately.3. It is foreseen to organize national EU projects, which will be dedicated for the development of adult basic skills and key competences. 4. In the Action Plan of Development of Non-formal Adult Education 2014-2016, great attention was concentrated on development of basic competences.</p>
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [Youth education and ALE are seen part of an integrated whole.]	tend to agree

1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE policy addresses learning processes and teacher-learner relations.]	agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE is such a diverse sector of provision that it is difficult to define precisely.]	agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [Adult learning and adult education are the same thing.]	tend to agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE and continuing vocational education and training are not integrated.]	tend to disagree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [New technologies have fundamentally changed the scope of our ALE practice.]	tend to agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [Demographic trends (e.g. ageing societies and migration patterns) are making ALE policy much more important than it used to be.]	agree
1.4. Would your country's ALE stakeholders agree or disagree with the following statements? We are not asking for your personal views. [ALE policy identifies non-formal and informal learning as important.]	agree
1.5. Has your country formulated a CONFINTEA VI action plan following the BFA?	
1.5.1. What areas does it cover? [Adult literacy]	Not selected
1.5.1. What areas does it cover? [Policy]	Not selected
1.5.1. What areas does it cover? [Governance]	Not selected
1.5.1. What areas does it cover? [Financing]	Not selected
1.5.1. What areas does it cover? [Participation]	Not selected
1.5.1. What areas does it cover? [Quality]	Not selected
1.5.1. What areas does it cover? [Other]	
2.1. Overall, would you say that since 2009 your country ...	has made significant progress on ALE policy?
2.1.1. Provide the most significant indicator of this regression here.	

<p>2.1.1. Provide the most significant indicator of this progress here.</p>	<p>1. New updated version of Republic of Lithuania Law on Non-Formal Adult Education and Continuing Learning was prepared (2014) and passed by the Seimas of the Republic of Lithuania. The law clearly defines the aspects of adult education and continuing learning – planning, organization, financing and quality monitoring.2. The Action Plan of Development of Non-formal Adult Education 2014-2016 was prepared and now being accomplished (2014).3. National budget funds dedicated for the realization of non-formal adult education and continuing learning programmes.4. Legal acts are being prepared to establish the direction of non-formal adult education and continuing learning development, quality monitoring of learning services and financial mechanisms in the government level.5. Accessibility of non-formal learning was increased. For example, informational system for distance learning was created. The system contains 500 digital learning programmes for the basic competences development. In addition, the call centre was established. Website of informational system is <a href="http://www.smis.lt">www.smis.lt</a>.</p>
<p>2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Individuals seeking personal growth and widening of knowledge horizons]</p>	<p>Not selected</p>
<p>2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Individuals seeking to update work-relevant knowledge and skills]</p>	<p>Yes</p>
<p>2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Women and men in mid-life transitions (e.g. change in employment status; personal, health and family challenges)]</p>	<p>Not selected</p>
<p>2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Individuals seeking recognition for prior learning (especially non-formally and informally acquired)]</p>	<p>Not selected</p>
<p>2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Socially excluded groups (e.g. homeless people, [ex-]prisoners; adults with mental health problems)]</p>	<p>Not selected</p>
<p>2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Adults with low-level literacy or basic skills]</p>	<p>Yes</p>
<p>2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Workers in low-skill, low-wage or precarious positions]</p>	<p>Not selected</p>

2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Long-term unemployed people]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Adults living with disabilities]	Yes
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Residents of rural or sparsely populated areas]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Parents and families]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Lone or single parents]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Senior citizens/retired people (third-age education)]	Yes
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Young persons not in education, employment or training]	Yes
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Migrants and refugees from other countries]	Not selected
2.2. Which target groups of (potential) learners are especially important in ALE policies in your country? Check up to five groups. [Minority ethnic, linguistic or religious minorities and indigenous peoples]	Not selected
2.3. Does your country have a policy framework to recognize, validate and accredit non-formal and informal learning?	Yes, a policy framework was developed after 2009
2.4. Since 2009, has your country enacted any important new policies with respect to ALE?	Yes
2.4.1. Provide the name of the policy, the year of adoption and if possible a link to the document.	1. New updated version of Republic of Lithuania Law on Non-Formal Adult Education and Continuing Learning was prepared (2014) and passed by the Seimas of the Republic of Lithuania.2. The Action Plan of Development of Non-formal Adult Education 2014-2016 was prepared and now being accomplished (2014). The plan suits EU adult education strategic documents. <a href="http://www3.lrs.lt/pls/inter2/dokpaieska.showdoc_l?p_id=474309">http://www3.lrs.lt/pls/inter2/dokpaieska.showdoc_l?p_id=474309</a> <a href="https://www.e-tar.lt/portal/lt/legalAct/b9068c1052c011e4a698d921e3e46801">https://www.e-tar.lt/portal/lt/legalAct/b9068c1052c011e4a698d921e3e46801</a>

3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has ... [increased stakeholder participation ]	tend to agree
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has ... [developed more effective monitoring and evaluation systems ]	tend to agree
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has ... [introduced better coordination arrangements ]	agree
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has ... [become more decentralized ]	tend to agree
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has ... [strengthened capacity-building initiatives]	agree
3.1. Which of these statements apply to your country? Since 2009, the governance of ALE has ... [strengthened inter-ministerial cooperation]	tend to agree
3.2. Since 2009, has your government consulted stakeholders and civil society about the formulation, implementation and evaluation of ALE policies?	Yes
3.2.1. Describe how the government consults on ALE policy.	1. Various interested institutions participated in the process of preparing Republic of Lithuania Law on Non-Formal Adult Education and Continuing Learning: members of the Seimas of the Republic of Lithuania, representatives of the ministries, municipalities, education centres and non-governmental organizations (NGO).2. Representatives of NGO (for example, Presentation of Lithuanian Adult Education Centres Leaders Association, Association of Local Authorities in Lithuania, etc.) participated in preparation of post-legislative acts of the law mentioned above.3. The projects of the documents were discussed with Non-formal Education Council of Lithuania.
3.3. Has there been any significant innovation/development in ALE governance in your country since 2009 that could be of interest to other countries?	Yes
3.3.1. Give details here. Provide sources and hyperlinks (URLs) if possible.	1. Government of Lithuania confirmed regulations of Non-formal Education Council of Lithuania in resolution No. 235, 12 March 2014. The council considers main perspectives of non-formal adult education and continuing learning development, and direction of strategic development. In addition, one of the function of the council is to carry out project analysis about the development of the adult education system and activities coordination of the institutions adult education.2. In 28 April 2014, the personal structure of Non-formal Education Council of Lithuania was confirmed. It includes representatives of adult education and vocational training institutions, business, organizations protecting employer and workers interests, the Seimas of the Republic of Lithuania, interested ministries and the Association of Local Authorities in Lithuania.

4.1. What percentage of public education spending currently goes to ALE?	
4.2. Between 2009 and 2014, public spending on ALE as a proportion of public education spending in my country has	
4.3. Does the government plan to increase or decrease spending on ALE?	Plans to increase
4.4. Has your government introduced any significant innovation in ALE financing since 2009 that could be of interest to other countries?	
4.4.1. Give details and provide references where appropriate and URL link if possible.	
5.1. Since 2009 and for the adult population overall, the participation rate (%) in ALE has...	Stayed about the same
5.1.1. Insert the overall ALE participation rate (%) for the most recent year available [Participation rate (%)]	5 percent of persons aged 25 to 64 who stated that they received education or training in the four weeks.
5.1.1. Insert the overall ALE participation rate (%) for the most recent year available [Reference year]	
5.1.1. Insert the overall ALE participation rate (%) for the most recent year available [Reference age group]	
5.1.1. Insert the overall ALE participation rate (%) for the most recent year available [Definition of 'participation']	
5.1.1. Insert the overall ALE participation rate (%) for the most recent year available [Data source with URL]	Eurostat. <a href="http://ec.europa.eu/eurostat/tgm/table.do?tab=table&amp;plugin=1&amp;language=en&amp;pcode=tsdsc440">http://ec.europa.eu/eurostat/tgm/table.do?tab=table&amp;plugin=1&amp;language=en&amp;pcode=tsdsc440</a>
5.2. What differences are there between women and men in terms of their participation rates (%) in ALE programmes? [Overall]	Women participate more
5.2. What differences are there between women and men in terms of their participation rates (%) in ALE programmes? [General education]	Women participate more
5.2. What differences are there between women and men in terms of their participation rates (%) in ALE programmes? [Technical and Vocational education and training (TVET)]	Equal participation
5.2. What differences are there between women and men in terms of their participation rates (%) in ALE programmes? [Literacy]	Women participate more
5.2. What differences are there between women and men in terms of their participation rates (%) in ALE programmes? [Non-formal and informal education]	Women participate more
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Migrants and refugees from other countries]	no change

5.3. For each of the following groups, how has ALE participation since 2009 changed? [All those seeking recognition for prior learning (especially non-formally and informally acquired)]	
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Adults with low-level literacy and basic skills]	increased
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Minority ethnic, linguistic and religious minorities and indigenous peoples]	no change
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Senior citizens/the retired (Third Age Education)]	increased
5.3. For each of the following groups, how has ALE participation since 2009 changed? [The long-term unemployed]	no change
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Adults living with disability]	increased
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Young persons not in education, employment and training]	increased
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Residents of rural and remote areas]	increased
5.3. For each of the following groups, how has ALE participation since 2009 changed? [Workers in low-skill, low-wage and precarious employment]	no change
5.4. Has your government introduced any significant innovation in ALE to improve access and participation since 2009 that could be of interest to other countries?	
5.4.1. Give details. Provide sources and URL link if possible. Also include references to recent surveys or major studies of ALE participation in your country published since 2009.	
6.1. Does your country systematically collect information about the following ALE outcomes? [Completion rates]	Yes
6.1. Does your country systematically collect information about the following ALE outcomes? [Certificates or qualifications issued]	Yes
6.1. Does your country systematically collect information about the following ALE outcomes? [Employment outcomes (or labour market outcomes)]	Yes
6.1. Does your country systematically collect information about the following ALE outcomes? [Social outcomes in the areas of health and well-being, community cohesion]	Not selected

6.1. Does your country systematically collect information about the following ALE outcomes? [None of these – this information is not systematically available]	Not selected
6.1. Does your country systematically collect information about the following ALE outcomes? [Other]	
6.2. Are there initial, pre-service education and training programmes for ALE teachers/facilitators in your country?	Yes
6.3. Are initial, pre-service qualifications a requirement to teach in ALE programmes?	Yes, in some cases
6.4. Are there continuing, in-service education and training programmes for adult education teachers/facilitators in your country?	Yes, but inadequate capacity
6.5. Since 2009, have there been any substantial analyses of the following issues in your country? [Learning outcomes of ALE]	Not selected
6.5. Since 2009, have there been any substantial analyses of the following issues in your country? [Quality criteria for teaching and learning, e.g. curricula and methods]	Yes
6.5. Since 2009, have there been any substantial analyses of the following issues in your country? [Diversity of providers]	Yes
6.5. Since 2009, have there been any substantial analyses of the following issues in your country? [Impact of new technologies on ALE]	Not selected
6.5. Since 2009, have there been any substantial analyses of the following issues in your country? [Equity issues in ALE]	Yes
6.5. Since 2009, have there been any substantial analyses of the following issues in your country? [Barriers to ALE participation and provision]	Not selected
6.5. Since 2009, have there been any substantial analyses of the following issues in your country? [Other issues]	Not selected
6.5.1. Give references and URL link(s).	Analysis of the implementation of the Lifelong Learning Development Strategy (2008-2012) was developed. Aspects of non-formal adult education and vocational training were analyzed.
6.6. Has your government introduced any significant innovation regarding the quality of ALE since 2009 that could be of interest to other countries?	
6.6.1. Give details and provide sources and URL links if possible.	
Since 2009, how much has the knowledge base on the benefits of ALE for the following areas improved for policymakers, researchers and practitioners? [Health and well-being]	somewhat
Since 2009, how much has the knowledge base on the benefits of ALE for the following areas improved for policymakers, researchers and practitioners? [Society and community]	somewhat

Since 2009, how much has the knowledge base on the benefits of ALE for the following areas improved for policymakers, researchers and practitioners? [Employment and labour market outcomes]	somewhat
7.1. Indicate the extent to which your country's ALE policy and practice [Recognizes the contribution ALE can make to personal health and well-being]	4
7.1. Indicate the extent to which your country's ALE policy and practice [Follows the World Health Organization's holistic approach, including mental as well as physical health]	3
7.1.1. Explain your response here.	
7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [Competencies needed for health, including knowledge, attitudes, skills and values needed for prevention, accessing treatment, etc.]	Yes
7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [Self-reported health]	Yes
7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [Maternal health]	Not selected
7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [Mental health and well-being (such as self-efficacy)]	Not selected
7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [Preventing, but also living with, HIV/AIDS and its social consequences]	Not selected
7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [Prevention and control of other infectious diseases, including epidemics (such as SARS, cholera, hepatitis)]	Not selected
7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [Sexual and reproductive health]	Not selected
7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [Preventing, but also living with, chronic illnesses (such as diabetes, heart disease, Alzheimer's)]	Not selected
7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [Healthy lifestyles (such as diet, exercise, stress reduction)]	Yes
7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [Making the local environment more healthy (e.g. through community action)]	Yes

7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [None of the above, but there is evidence that ALE has a positive impact on other aspects of health]	Not selected
7.2. Do you have evidence to show that in your country, ALE has a positive impact on: [No evidence at all for any aspect]	Not selected
7.2.1. Please provide your sources.	
7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being: [Illiteracy]	4 = very important
7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being: [Household income inequalities]	4 = very important
7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being: [Poor quality of pedagogy, training materials, staff training and capacity]	2
7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being: [Lack of access to information on ALE programmes]	2
7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being: [Poor interdepartmental or inter-sectoral collaboration]	2
7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being: [Community resistance]	3
7.3. For your country, indicate how important the following are as factors influencing the effectiveness of ALE for health and well-being: [Inadequate or misdirected funding]	4 = very important
7.4. How far do different stakeholders (public education agencies, public health agencies, NGOs, private providers, etc.) collaborate in the design and delivery of ALE programmes in your country?	In theory, but not much in practice
7.5. Does your country have an interdepartmental or cross-sectoral coordinating body for ALE for promoting personal health and well-being?	Yes
[Name of coordinating body:]	Non-formal Education Council of Lithuania
[Briefly describe its mandate and activities:]	The council considers main perspectives of non-formal adult education and continuing learning development, and direction of strategic development. In addition, one of the function of the council is to carry out project analysis about the development of the adult education system and activities coordination of the adult education institutions.

8.1. Do you have evidence to show that ALE has a positive impact on the following issues? [Participation in social, civic and political activities]	Yes
8.1. Do you have evidence to show that ALE has a positive impact on the following issues? [Social trust]	Not selected
8.1. Do you have evidence to show that ALE has a positive impact on the following issues? [Social integration/inclusion]	Yes
8.1. Do you have evidence to show that ALE has a positive impact on the following issues? [Diversity tolerance]	Yes
8.1.1. Give sources for checked options.	Adult education reports:1. Applied report of the adult education (2011): <a href="http://www.suaugusiujusvietimas.lt/modules/document_manager/documents/3/Taikomasis%20suaugusiuju%20svietimo%20tyrimas.pdf">http://www.suaugusiujusvietimas.lt/modules/document_manager/documents/3/Taikomasis%20suaugusiuju%20svietimo%20tyrimas.pdf</a> 2. Analysis of the third age universities system activities (2012): <a href="http://www.upc.smm.lt/svietimas/tyrimai/TAU%20tyrimo%20atasaita%202012.pdf">http://www.upc.smm.lt/svietimas/tyrimai/TAU%20tyrimo%20atasaita%202012.pdf</a> 3. Other reports: <a href="http://www.kmnc.lt/kmnc/?page_id=3427">http://www.kmnc.lt/kmnc/?page_id=3427</a>
8.2. To what extent are the following dimensions important for ALE policy in your country? [Non-economic outcomes and benefits for individuals (such as personal development, quality of life, well-being and social and cultural participation)]	to a small extent
8.2. To what extent are the following dimensions important for ALE policy in your country? [Non-economic outcomes and benefits for collective and civil society (such as positive and trustful social relations, active and sustainable communities, and social integration)]	to a large extent
8.2. To what extent are the following dimensions important for ALE policy in your country? [Economic returns for individuals, communities and society (such as employability, innovation capacity, financial autonomy, living standards, skills levels improvement and structural labour market evolution)]	to a large extent
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the following cultural and social resources in your country? [Multilingualism and cultural diversity]	to a small extent
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the following cultural and social resources in your country? [Increased access to education, literature, the arts and cultural heritage]	to a large extent
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the following cultural and social resources in your country? [Environmental sustainability in local communities]	to a large extent

8.3. To what extent do literacy and basic skills programmes contribute to strengthening the following cultural and social resources in your country? [Active citizenship and political and community participation]	to a small extent
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the following cultural and social resources in your country? [Community solidarity and social justice]	to a small extent
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the following cultural and social resources in your country? [Democratic values and peaceful co-existence]	to a large extent
8.3. To what extent do literacy and basic skills programmes contribute to strengthening the following cultural and social resources in your country? [Other]	
8.3.1. Please specify	Funded training of basic competences (for example, civic, political literacy, state and foreign languages, legal awareness, problem solving, etc.)
8.4. To what extent do ALE programmes in general contribute to strengthening the following cultural and social resources in your country? [Multilingualism and cultural diversity]	to a small extent
8.4. To what extent do ALE programmes in general contribute to strengthening the following cultural and social resources in your country? [Increased access to education, literature, the arts and cultural heritage]	to a large extent
8.4. To what extent do ALE programmes in general contribute to strengthening the following cultural and social resources in your country? [Environmental sustainability in local communities]	to a large extent
8.4. To what extent do ALE programmes in general contribute to strengthening the following cultural and social resources in your country? [Active citizenship and political and community participation]	to a large extent
8.4. To what extent do ALE programmes in general contribute to strengthening the following cultural and social resources in your country? [Community solidarity and social justice]	to a small extent
8.4. To what extent do ALE programmes in general contribute to strengthening the following cultural and social resources in your country? [Democratic values and peaceful co-existence]	to a large extent
8.4. To what extent do ALE programmes in general contribute to strengthening the following cultural and social resources in your country? [None of these – adult learning and education programmes mostly have other purposes]	

8.4. To what extent do ALE programmes in general contribute to strengthening the following cultural and social resources in your country? [Other]	
8.5. How far does the statement below reflect the policy approach in your country? Youth and adult literacy and basic skills programmes are not directed towards social and cultural development – they teach people to read, write and deal with numbers.	not at all
8.6. To what extent do your country's ALE programmes include provisions for the development of the following cultural resources? [Arts and crafts]	somewhat
8.6. To what extent do your country's ALE programmes include provisions for the development of the following cultural resources? [Cultural rituals and traditional knowledge systems]	not at all
8.6. To what extent do your country's ALE programmes include provisions for the development of the following cultural resources? [Spirituality]	somewhat
8.6. To what extent do your country's ALE programmes include provisions for the development of the following cultural resources? [Ecology and the environment]	somewhat
8.6. To what extent do your country's ALE programmes include provisions for the development of the following cultural resources? [Sports]	a lot
8.6. To what extent do your country's ALE programmes include provisions for the development of the following cultural resources? [Dance and theatre]	a lot
Groups that are the hardest to reach with ALE programmes? [Refugees]	Not selected
(a) the hardest to reach with ALE programmes [Those with no valid residency documents (sans-papiers)]	Not selected
(a) the hardest to reach with ALE programmes [Residents of rural or remote areas]	Yes
(a) the hardest to reach with ALE programmes [Residents of institutions (prisons, hospitals, etc.)]	Not selected
(a) the hardest to reach with ALE programmes [Members of cultural, ethnic, linguistic and religious minority groups and indigenous peoples]	Not selected
(a) the hardest to reach with ALE programmes [Migrants (not refugees) and their families]	Yes
(a) the hardest to reach with ALE programmes [People living with chronic illnesses or disabilities ]	Yes
(a) the hardest to reach with ALE programmes [Senior citizens (as defined in your country)]	Not selected
(a) the hardest to reach with ALE programmes [Other]	

Groups where ALE programmes have had some success [Refugees]	Not selected
(b) groups where ALE programmes have had some success [Those with no valid residency documents (sans-papiers)]	Not selected
(b) groups where ALE programmes have had some success [Residents of rural or remote areas]	Not selected
(b) groups where ALE programmes have had some success [Residents of institutions (prisons, hospitals, etc.)]	Yes
(b) groups where ALE programmes have had some success [Members of cultural, ethnic, linguistic and religious minority groups and indigenous peoples]	Not selected
