

# Global partnership for action to eliminate all forms of HIV-related stigma and discrimination

Geneva: UNAIDS, 2018. 13 p.

## Organizations:

UNAIDS

## Description:

Without addressing HIV-related stigma and discrimination, the world will not achieve the goal of ending AIDS as a public health threat by 2030. The global partnership's goal is to reach zero HIV-related stigma and discrimination. An opportunity to harness the combined power of governments, civil society and the United Nations, the global partnership will work together, using the unique skills of each constituency, to consign HIV-related stigma and discrimination to history.
