Webinar: Improving WASH Behaviors among School-age Children Outside of School

Nov 12, 2019

FRESH School Health and Nutrition Webinar: Improving WASH Behaviors among School-age Children Outside of School

Date: Friday, 15th November 2019

Time: 9am EDT/ 2pm GMT/ 5pm EAT/ 10pm

- What tools and methods can be used to engage school-age children in promoting hygiene?
- What role can children play in promoting hygiene as caregivers for their younger siblings outside school?
- What are the results of using incentives such as surprise soap with children's handwashing behavior?
- How can children be involved in user-centered designing of toilet infrastructure?

Join us and members of Save the Children Global WASH team to learn more about the different ways in which school-age children influence hygiene behaviors as we celebrate World Toilet Day 2019: Leaving No One Behind.

Featured Speakers:

- Abraham Varampath, WASH Advisor, Save the Children UK
- Steve Sara, WASH Advisor, Save the Children US SGT
