

## Welcome to the Procedural Alignment Tool

---

The Procedural Alignment Tool (PAT) aims to help countries to self-assess the level of alignment of their learning assessment implementation practices to [good practices](#).

### To access the PAT:

1. Please request your access credentials at [uis.lo@unesco.org](mailto:uis.lo@unesco.org).
2. A *username* and a *password* will be emailed back to you. The email will also contain an *Access Code*, which will be requested at the end of the questionnaire to submit your response and display your report.
3. Access the tool by clicking on the icon below, and login by entering your username and password and complete the questionnaire.
