memory of the hardship and troubles they had gone through. One of the men was Liyog who was their navigator as well as the overseer and care taker. He was their over all boss.

As he slept one night he had a dream, someone was telling him, "It would be good for you to take something back to Yap to symbolize your stay in Palau and the difficulties you and your crew have gone through."

The next day, he told his companions of his plan to find something to take to Yap to prove to Yapese that they were in Palau and that
