LETTER OF CONSENT

From the Custodians of Cultural Expression

I/WE agree with the nomination of the **TRADITION OF YOGA** for UNESCO's inscription on the Representative List of Intangible Cultural Heritage. We support the **Promotion of Yoga** as World Heritage. The candidature file reflects the consent, aspirations, concerns and values of the traditional communities.

I/We will actively be involved in the implementation of the safeguarding measure proposed.

Swami Vivekananda on Sep 11, 1893 in the parliament of Religions heralded 'Universal Brotherhood' as the key basis for bringing peace & harmony in the world, yoga is the tool. Jnana, Bhakti, Karma & Raja yogas are the streams to transform the individual and the world. Let us all use this tradition of yoga as a science of holistic living.

LETTER OF CONSENT

From the Custodians of Cultural Expression

I/WE agree with the nomination of the TRADITION OF YOGA for UNESCO's inscription on the Representative List of Intangible Cultural Heritage. We support the Promotion of Yoga as World Heritage. The candidature file reflects the consent, aspirations, concerns and values of the traditional communities.

I/We will actively be involved in the implementation of the safeguarding measure proposed.

Yoga has become a bridge among many diverse cultures, most nations of the earth and has united the people of all religions. It is an ancient science that has united itself with modern sciences. Ongoing successful researches have and are proving its efficacy for physical and mental well being. This holistic science needs to be preserved and taught widely

We at the Yoga Institute, Santa Cruz Mumbai, the world's oldest organised centre of Yoga established in 1918 ascertain that Yoga is a science of holistic living. In today's fast paced life, Yoga is 'THE SOLUTION' for all the psycho-somatic lifestyle diseases. Its essence can transform the individual to a higher level of living.

Yoga is the ancient science of living human life to its full potential. It is a universal science which enables man to realise he is a citizen of the Universe. It is a tried and tested path to aid man in evolving out of his animal nature of impulsive actions into the human nature of conscious restraint. It is the valuable heritage of all people on earth.

The first evidence of yoga, specially Asana, is available in Indus Valley Civilization (around 3000 years B.C.). It was systemized by Sage Patanjali in 2nd century B.C. It has been almost unanimously accepted that yoga is relevant to day also for the sake of Physical, mental and spiritual well being. We must promote yoga as World heritage.

Yoga is about knowing the Mechanics of life and its Source. An opportunity for Humanity to seek their immediate and Ultimate Wellbeing beyond the fickleness of the marketplace and the dogmatic divide of the Religions. The word Yoga literally means Union. Knowing and experiencing oneself in tune with the Rhythm of Ultimate phenomenon.

As Human intellect evolves, Yoga is a natural Refuge for humanity in pursuit of its wellbeing. Though Yoga has its Origin in Adi Yogi of an antiquity of many millennia, It is the Science for the future.

Sri Aurobindo worked out about a hundred years ago, in The Synthesis of Yoga, a powerful synthesis of the major traditional schools of yoga. The synthesis, known as Integral yoga, helped revive the spirit of yoga, emphasized bringing yoga into all everyday activities, and extended the goal of yoga to include a rise in the collective consciousness of humanity.

Yoga is a science of "Union / Self integration". Only a self integrated persona can remain completely happy and healthy at the physical, psychological, social and spiritual level. Universal Brotherhood, peace, harmony etc. can be achieved only if its people are "totally healthy". Yoga can make this dream come true. Let us utilize this science of life for the upliftment of mankind as a whole.
