

## **Memory of the World National Committee**

### **Brasil**

Committee created on 02 September 2004

**Observation** – The Committee MoWBrasil is currently inactive waiting its restructuring process, demanded as part of a general administrative initiative by the Brazilian government in April 2019.

The names below are from the last composition of the Committee MoWBrasil board (2016-2019) that continues to support the goals of the Program and work with the Brazilian authorities and Unesco's National Office for its reactivation.

The secretary of the Committee MoWBrasil is still active with the support of the Arquivo Nacional.
